Vision

BE-ing Grace in Action for our Spheres of Influence

Mission

Igniting Human Health & Well-BEing - the Essence of Nature / Nourishment / Milieu thru novel ♥Centered Leadership in Comedic `Dramedy` Prose-Storytelling / the Arts & Realization of Wealth Adeptness by Living Holistically

People / Community / Milieu = Contribute One's Best Innate Talents
Establish Apt Wealth Capacities
Live Soundly in ♥Body - Mind - Spirit - Soul

Myers-Briggs Type Indicator: **INFJ**

Introverted **IN**tuitive - Extroverted **F**eeling - **J**udging (*Determine - Plan - Realize*)

< 1-3% of the population has an INFJ Personality Type - The Most Rare of All Types

INFJs hold a special place in the Heart of the Select People who they are close to - those Few Confidants who are able to see their Special Gifts
INFJs have very New and Interesting Ways of looking at things & the Ability to Inspire and Motivate others to be the Best that They Can Be

INFJs are Authentic - Deep - Caring - Extremely Complex - Meticulous - Artistic - Creative - Candid - Highly Intuitive
They are able to Assess with Utmost Accuracy the Unconscious / Subconscious / Conscious Motives of Others & their Affect in Environment/s
INFJs Know Things w/out being able to pinpoint why and w/out detailed knowledge of the subject at hand - they are as a Matter of Course *Right*
INFJs Abhor Negativity & Must Maintain their Energies by Replenishing in Solitude and participating in The Creative Arts

INFJs Apply Their Ingenuity to Human Well-Being Quandaries in a Personal Way & in Work that Involves Needed Solutions to Evolve Civilization
They are Remarkable Leaders when devoting themselves to Carrying out Sound Inspiration while easily attracting support by Enthusiasm and Faith
The Boldness of INFJ's Ideas and Implementation Abilities are Profound & may be of Immense Value in Any Field of Work
They put a lot of Energy into Identifying the Best System for Getting Things Done & they *Do Get Things Done*
