23-24 York Community High School					<p>A = Superior B = Above Average C = Average D = Below Average P = Passing F = Failing NC = No Credit I = Incomplete X = Conditional Incomplete</p> <p>One credit (1.00) represents the study of a course for five periods per week for an entire semester (P.E. is .50.) A minimum of 41 credits is required for graduation for the class of 2002. Beginning with the class of 2003, a minimum of 44.5 credits are required for graduation. Beginning with the class of 2018, a minimum of 45.5 credits are required for graduation.</p> <p>Weight: H - High Weighted</p> <p>GPA Determination: A base average will be established on a 4.0 scale. Secondly, .20 points will be multiplied by the number of honors classes passed with a C or better grade and added to the base average. Because the GPA is cumulative, after the student's first semester, the total number of honors classes will be multiplied by .20 and then divided by the number of semesters. That average is added to the cumulative base average.</p>
