We abide by the laws of Oklahoma and by industry-standard outfitting laws and practices. Hunters are forbidden to shoot any animals that are not specified in their contract, unless given permission by their guide. In the event that a hunter kills game not specified in their hunting contract or verbal agreement, the hunter will be charged a harvest fee comparable to the standard hunt price for that animal.

Any disputes which may arise shall be governed by the laws of and settled in the judicial system of the State of Oklahoma.
