Special Guests- Homeowner of Distinction Award

Leslie Kunze and Betsy Holtz: Leslie has been a master gardener since 2014 and recently completed landscape design course

all three nominees from west side and what we were looking for was blend of perennials, annuals, and the coordination of the home, etc. Started on South end and worked towards the North

Winners garden: Evelyn has revived one of the original cottages on the North End of Silver Lake that was constructed in 1940. She and Tom have extensive work to level the building and refurbish much of building while leaving property intact. When they moved in it was overgrown and out of control. Over the last several years she has transformed the yard with field rock, gardens, etc. Filled with perennials, foliage to last through spring and summer with a balanced color palette. TO maintain healthy environment for the plants everything is mulched to maintain moisture and all yard waste is composted safely away from run off potential. She was nominated by Sherry with the award to Evelyn and Tom Militello on Sherman Road. They were awarded a plant and a garden marker along with their names on the plaque at Silver Lake Marine and a banner for their yard and garden.

What's New Around the Lake?

Recommendation for Silverlaken for a birthday group of about 16 people and they did a great job and furnished everything for everyone

A buoy off of Luther Road was just under water and no one knew it was there buoy began to show itself as water level dropped. Sheriff called and it is plastic with styrofoam inside 200 ft from shore and ice had moved it. Buoy was removed quickly and moved to safety.

Peggy Phillips wants everyone to know about yard/craft sale at the SLI along the greenway down by the water from 9-3.

Plaques are still available thanks to Randy for getting more if you need any please take what you need a few stickers are also leftover and some directories are available today if needed

Flares – Returns - 5 Minutes

need to get all flares accounted for so money can be donated to CLEAN

we will donate 65 cents per flare to CLEAN and we generally sell about 2500 flares

we need to match up what was taken to what is turned into Cathy monetarily

Sunday July 30th two state police jetskis were out on Silver Lake to check registration, boaters certificate, Wyo Co Sheriff deputy was shocked that they were out there. He stated it was a money grab because all tickets were issued

Letchworth Park Police was notified and not apologetic for damage to personal property

Dave Richardson had not written a ticket in 5 years and those state police troopers will not be sent back onto the lake

NYS Parks Boaters guide: carry three day/night US coast guard approved day/night handheld flares. Any electric distress light for day or orange flag for day time.

The flares that we use and sell are not CG approved

Water Quality – 15 Minutes – Frank Bright

See attached WQ report

Additional notes:

Phosphorous levels are going down over the last 13 years

golf course would like to push the golf tournament back later into the day to do a lunch time shotgun start and dinner after instead of lunch. Tentative date 7/29/23.

Lake turned over in June may happen again this season if conditions exist for it to happen

Old Business – 5 minutes each -

Crabby Bill's Docks – Docking and Mooring Laws

getting them updated to restrict businesses and camps to restrict them from going too far out into the water it is a long process both zoning boards and town boards have to approve but it is in process

Totes - Meeting with Jim Brick and Jim Bragg Aug 4th - Results
