A UNIQUE EXPERIENCE

EXPERIENCE

Our goal is to create the most exclusive and valuable experience of Dubai during GITEX, the biggest multi-conference event of the year

NETWORKING

In collaboration with Future Blockchain Summit, we are hosting this one-of-a-kind event. High profiles from Crypto, finance, yachting, metaverse and traditional brands are invited

EXPOSURE

Our guests are treated to a fully immersive trip with custom live activations from our partners that will remain as unforgettable memories

FOCUS ON DELIVERY

In the first week of April, we co-hosted the inaugural Bored Ape Yacht Party in Dubai as official Dubai Boat Show sideevent. The show featured DJ Ape's live performance, an Ape on Yacht painting auctioned for \$10k, global BAYC and MAYC attendees, the debut of the world's first physical NFT necklace, official Bored Ape Merch, 100 banana pillows and significant social media buzz.
