

ADDICTED TO GOD MINISTRIES

October 2026, Volume 2

Who are we?

Addicted to God Ministries is a Christ-centered nonprofit ministry committed to sharing the Gospel while meeting practical needs. We believe ministry is not limited to a church building. It reaches into recovery homes, neighborhoods, food lines, shelters, hospitals, prisons, streets, and every place where people are hurting.

During September, Addicted to God Ministries helped feed 4,200 families in our community! Through our dedicated partners who host local pantries with the food we drop off, 3,200 families received essential groceries. Our own mobile pop-up pantries directly served another 1,000 families.

We are incredibly grateful to our partners, members, and supporters for helping us share both physical nourishment and God's love!

Partner with Us:

Beach Baptism

We gathered for a powerful beach baptismal, celebrating as 12 individuals stepped into the water to boldly declare their faith in Jesus Christ. Witnessing these transformed lives was a beautiful reminder of redemption, grace, and fresh beginnings. We are so proud of everyone who took this step and deeply grateful to our community for coming out to celebrate and pray over them—the old is gone, the new has come!

A Message from Pastor Laz

Recovery gives us a chance to begin again. We may start by leaving behind an addiction or a harmful pattern, but lasting change also means learning how to live differently. We need new routines, healthy friendships, meaningful ways to spend our time, and people who will encourage us when the journey gets hard.

Psychology helps us understand why this takes practice. Our minds learn habits through repetition. When stress hits, it can feel natural to return to what is familiar, even when we know it hurts us. Each time we choose a healthier response, calling someone we trust, going to a meeting, praying, serving others, or taking up a new hobby, we practice a new way forward. Change does not happen all at once, but those daily choices matter. Building new patterns and routines!

Scripture speaks to this renewal: "And be not conformed to this world: but be ye transformed by the renewing of your mind" (Romans 12:2, KJV). God invites us to change the way we think and live. He meets us in the daily work of replacing old habits with new ones.

Starting fresh also means making room for forgiveness. We can take responsibility for the harm we have caused, seek to make things right, and still receive God's grace. We can work toward forgiving others without pretending the hurt never happened. The past is part of our story, but it does not have to decide our future.

"Therefore if any man be in Christ, he is a new creature: old things are passed away; behold, all things are become new" (2 Corinthians 5:17, KJV).

At Addicted to God Ministries, we see people take these steps every day. A new morning routine. A new friend. A new way to handle pain. A new willingness to ask for help. Recovery is built one day at a time, and in Christ, every day is another opportunity to walk in new life.
