Proposal No: 26 PRP-2022

Fountain Beach Resort Association
313 South Atlantic Avenue
Daytona Beach, FL 32114

Attention: Ms. Becky Lewis, Property Manager

Subject: Proposal for Engineering Services – Seawall Repair Permit Documents and Inspections
Fountain Beach Resort, Daytona Beach, Florida

Dear Ms. Lewis and Ladies and Gentlemen of the Board of Directors,

United Engineering Consultants (UEC) is pleased to submit this proposal to provide permit documents and inspections for the repair of the seawall at the Fountain Beach Resort. It is our understanding that the Association has identified spalling issues along the seawall cap and would like to have them repaired. McDonald Quality Painting and Construction will be providing a price for the seawall repairs.

SCOPE OF SERVICES

Task I: Permit Documents

- UEC will prepare AutoCAD drafted details for the repair of the damaged concrete.
- UEC will provide the Contractor signed and sealed permitting documents for the submission to the Building Department.

Task I: \$2,200.00

Task II: Construction Administration and Project Inspections

- Perform field inspections of the work in-progress to include an observation report with each visit. The observation report will be distributed to the Owner, Contractor and Building Department. A project close out letter to the local municipality will be included at the end of the project. Invoiced per visit.
- Provide construction administration throughout the project. Contract administration includes the following: Reviewing change order requests, certifying payment applications, providing the Contractor with records of repair, answering RFI's and attending progress meetings. Invoiced per week.

Task II: \$850/Inspection and \$350/Week

Any additional services requested by you will be performed by UEC upon agreement between UEC and you, the Client. UEC will proceed with any additional service only after written authorization and direction to proceed from the you, Client. Additional hourly Services will be invoiced at the following rates:

Professional Engineer:	\$225.00/hour
Field Technician:	\$100.00/hour
Administrative:	\$75.00/hour
Drafting Services:	\$100.00/hour

TERMINATION OF CONTRACT

The Client and UEC understand and agree that the intent of this agreement is to complete the work as set forth herein. The Client and UEC understand and agree that certain situations, financial or otherwise, may cause the Project to be suspended or abandoned. Therefore, either the Association Board of Directors or UEC may terminate this agreement at any time with or without cause upon giving the other party seven (7) days prior written notice. The Association shall, within 15 days of termination, pay UEC for all approved services rendered and all approved costs incurred up to the date of termination.

NOTICE TO PROCEED

If the scope of work and fees described here-in are acceptable, please sign the attached agreement and return a copy to us. Thank you for providing us the opportunity to submit this proposal and we look forward to working with you on this project.

Very Truly Yours,
UNITED ENGINEERING CONSULTANTS, INC.

Timothy J. Snook, P.E.
Project Engineer

GENERAL CONDITIONS (Page 2 of 2)

Payment – Payment is due within 15 days after date of invoice. Interest at the rate of 18% per annum from 30 day after date of invoice to date payment is received will be added to all amounts not paid within 30 days after date of invoice. In the event that any law limiting the amount of interest or other charges permitted to be collected is interpreted so that this charge violates such law for any reason, the interest charge is hereby reduced to the extent necessary to eliminate such violation. Attorney fees and expenses associated with collection of past due invoices will be paid by Client.

Insurance – United Engineering Consultants, Inc. (UEC) maintains Workers' Compensation and Employer's General Liability insurance in conformance with state law. A certificate of insurance can be supplied evidencing such coverage which contains a clause providing that fifteen days written notice be given prior to cancellation.

Right of Entry – Unless otherwise agreed, Client will furnish right-of-entry on the property for UEC to perform the services proposed. UEC will take reasonable precautions to minimize damage to the property caused by engineering evaluation or testing, but the cost of restoration of damage, which may result from testing/sampling, is not included in UEC's services fee. Repair of areas where destructive evaluation occurs will be included in the Contractors scope of repair work to be performed during the restoration contract. If Client desires to restore the property to its former condition prior to the restoration, UEC will assist the Client in engaging a Contractor to perform the repair work at the Client's expense.

Legal Jurisdiction - The parties agree that any actions brought to enforce any provision of this Agreement shall only be brought in a court of competent jurisdiction located within the jurisdiction of the permitting Building Department in Florida.

The party entering into this agreement agrees that UEC and its officers shall be held harmless and indemnified against any claims for damages due to delay of any portion of the project.

To the fullest extent permitted by law, the client agrees to limit UEC and its officer's liability for the Client's damages to the sum of fees paid. This limitation shall apply regardless of the cause of action or legal theory pled or asserted. Client agrees to indemnify and save harmless UEC from any third party claims or suits and to reimburse UEC for expenses in connections with any such claims or suits, including reasonable attorney's fees.

The party entering into this agreement agrees that UEC shall be compensated at a rate of \$300 hourly for any legally mandated appearances on lawsuits not directly relating to Engineering performance and issued by Client.

Attorneys' Fees and Costs – In the event of a dispute arising out of the Contract, whether or not a lawsuit or other proceeding is filed, the prevailing party shall be entitled to recover its reasonable attorneys' fees and costs, whether incurred before suit, during suit, or at the appellate level.

Warranty and Limitation of Liability – UEC shall perform services for Client using that degree of care and skill ordinarily exercised by and consistent with the standards of competent professionals practicing in the same or a similar locality as the project. In the event any portion of the services fails to comply with this warranty and UEC is notified in writing of a specific failure in its warranty obligation prior to one year after completion of such portion of the services, or if re-performance is impracticable, UEC will refund the portion of compensation related to the service in dispute.

This warranty is in lieu of all other warranties. No other warranty, expressed or implied, including warranties of merchantability and fitness for a particular purpose is made or intended by the proposal for services, reports or oral representations by UEC. In no event shall UEC be liable for any special, indirect, incidental or consequential loss or damages. The remedies set forth herein are exclusive and the total liability of consultant whether in contract, tort (including negligence whether sole or concurrent), or otherwise arising out of, connected with or resulting from the services provided pursuant to this Agreement shall not exceed the total fees paid. At additional cost, Client may obtain a higher limit prior to commencement of services.

Discovery of Hidden Defects: Hidden defects, that were not identified by Client or discovered by Engineer, may be uncovered during the work. UEC and Client agree that the discovery of hidden conditions may result in a change in the scope of UEC's services that requires additional fees. UEC agrees to notify Client as soon as practicable should a hidden condition be discovered that, in UEC's opinion, may present a risk or danger to the public and UEC shall take any and all measures that, in UEC's professional opinion, are justified to preserve and protect the health and safety of any personnel and the public. Client agrees to compensate UEC for any additional cost incurred to protect the public's health and safety. In addition, Client waives any claim against UEC, and agrees to defend, indemnify and save UEC harmless from any claim or liability for injury or loss arising from UEC's discovery of hidden defects. Client agrees to compensate UEC for time spent and expenses incurred by UEC in defense of any such claim, with such compensation based on UEC's prevailing fee schedule.

Force Majeure – UEC shall not be held responsible for any delay or failure in performance of any part of this Agreement to the extent such delay or failure is caused by fire, flood, explosion, war, strike, embargo, government requirement, civil or military authority, acts of God, act or omission of subcontractors, carriers, client or other similar causes beyond its control.
