

**AUTHORIZATION TO RECEIVE
ASSOCIATION COMMUNICATIONS VIA
ELECTRONIC DELIVERY (EMAIL)**

The Florida Condominium Act now permits Unit owners to receive meeting notices and meeting agenda items via e—mail and will be considered as “written notice.” This method may only be used when a Unit owner provides his or her written notice to receive meeting notices and other such Association communications via e-mail transmission.

The Board of Directors recommends that Owners choose this method. It will allow the Association to communicate with you more rapidly and will reduce administrative costs.

I authorize International Beach Club Condominium Association, Inc. to send meeting notices and other written communications via email.

The correct email address to use is: _____. An alternate email address that may also be used is: _____.
