March, 2023

a message from our pastor

“GOLF IS DECEPTIVELY SIMPLE AND ENDLESSLY COMPLICATED. IT SATISFIES THE SOUL AND FRUSTRATES THE INTELLECT. IT IS AT THE SAME TIME MADDENING AND REWARDING AND IT IS WITHOUT A DOUBT THE GREATEST GAME MANKIND HAS EVER INVENTED.”

Whether you play golf or not, the gentleman pictured here is probably someone who’s name you have heard - Arnold Palmer (now residing in the Church Triumphant). This is a great quote which I have found to be true in multiple venues.

It is true in the world of golf. It is true for life. It is true for the Christian faith and life in particular. And, putting an even finer point on it, it is true for Stewardship.

Having started another Lenten journey, my thoughts turn to the discipline of Lent as well as the discipline of life itself. Beyond self-examination and repentance, prayer and fasting, sacrificial giving and works of love, Lent is an opportunity to deeply consider how we are going to use what we have been given and WHY we are going to put those gifts and talents to work.

Arnie is right. Stewardship is deceptively simple and endlessly complicated. Sharing what we have been given is pretty simple. We learn it (theoretically) as children. And yet we can complicate the simple formula in seemingly endless ways. Are people worthy? Are they making an effort? Do they say thank you? If these questions are not answered to my satisfaction, I

may decide to hold on to my gifts.

And there it is, brothers and sisters. That powerful, two-letter word: my. My gifts. My offering. My time. My money. **Deceptively simple and endlessly complicated.** All that we have is God’s. Given to us for a time. We may withhold... hoard.... deny.... but at the end of the day, what God has given us to use belongs not to us, but to God. **Deceptively simple and endless complicated.**

We began our Lenten journey with another sobering and simple phrase. “Remember that you are dust and to dust you shall return.” Not may... not might... shall. You, me, everyone - we all return to the dust of creation. No escapes - no special exceptions for meritorious behavior.

Thus, while we are here, let us share what God has entrusted to us, without needlessly complicating the process. The discipline of Lent - the discipline of Stewardship - can certainly be maddening but remains rewarding, satisfying and deceptively simple. Thanks be to God.

Pr. Groce

From our President.....

I hope that all of you had a great February, stayed safe, healthy and enjoyed Valentine's Day with loved ones.

Now the Lenten season has begun as we observed Ash Wednesday on February 22. In March there will be five Lenten services, every Wednesday at 5:00 p.m. Each will be followed by a soup supper at 6:00. Thanks to all who help with the services and prepare the soups!

We held our second 2023 golf meeting, together with FGRS, on February 8. The honoree this year is Carl Olin. The tournament will be played at Dorchester on September 17. The entry fee is \$85.00 per player. We will limit the players to 28 teams so please plan to register soon.

I want to make sure that everyone understands that your council never looks for the easy way out. When there are concerns or problems they are discussed, well thought out and voted on so that we can move forward. We do not throw money at it for an easy solution. We are a very financially responsible team and our finance group makes sure that all monies are spent wisely. Remember how blessed we are financially. Your council is here to ensure that your wishes are respected. No one in this team is perfect and mistakes will be made. If that happens we will do everything possible to correct it. No one person, or select few, makes decisions. All 13 council members vote and the majority either approves or disapproves the issue.

May all have a blessed Lenten season as we look forward to Easter and the resurrection of our Savior Jesus Christ.

God Bless,
Gary Deierlein

Thanks to all of the members of CLC who have prayed for me during my recent shoulder surgery. It will still be some time until I'm back to normal with the right arm. I think I'm making good progress, just slower than I expected.'

Lenten Soup Suppers Return!

New time, same menu, same location.
Read on for details:

Beginning March 1, we will again have **soup suppers** during Lent. Since we will be starting the Mid-Week Lenten service at 5:00 p.m., the soup suppers will be **AFTER** the service at **6:00 p.m.** (or as soon as the service ends). Please check the bulletin board for an opportunity to either bring a crockpot of soup and/or to help with set up or clean up.

Your Fellowship Team really appreciates you!!

Thank You!

The Bereavement Team extends appreciation to the church members who helped with the Doug MaGinn and Walt Mellor Memorial Receptions. God's work. Our hands.

Call for Ushers

Are you ready to serve? Our congregation is increasing and the number of active ushers is decreasing. Being an usher is an important way to serve our church. The one-hour training is scheduled at a convenient time for you. Since ushers work in tandem, new ushers will initially have a mentor and ushers sign up for convenient times to serve. Please give thought to serving as an usher. Call or email Anne Dodge at 931-250-3214 or annebdodge@gmail.com.

Ushers Needed

The Fellowship Committee will be serving breakfast after the 9:30 service at about 10:45 on Easter Sunday, April 9 in Fellowship Hall. It is open to the entire congregation and guests. There are signup sheets on the bulletin board for:

- 1) EASTER SUNDAY BREAKFAST ATTENDANCE
- 2) VOLUNTEERS TO BRING EGG CASSEROLES OR MUFFINS
- 3) VOLUNTEERS TO SET UP OR SERVE OR CLEAN UP

Please sign up before April 2 and thank you for your help!!

Notes from your Health and Safety Team

It's time to reset your clocks again! On Sunday, March 12, at 2:00 a.m. spring daylight saving time occurs. In the fall, we "fall" back an hour and in the spring, we "spring" forward an hour. So, 2:00 a.m., Sunday, March 12, suddenly becomes 3:00 a.m.. We lose an hour.

According to research conducted at Cornell University, spring daylight saving time changes results in nearly 5 days of adjusting sleep pattern, increases the risk of heart attacks, increases behavioral changes, increasing stress related immune disorders and increases accidents resulting in injuries. Be kind to yourself and set your clocks forward and go to bed earlier on Saturday, March 11. And, plan to take things a bit easier that week.

BREAD OF LIFE SUNDAY - MARCH 12, 2023

The chilly month of March is a perfect time for a tasty bowl of chili and cornbread. This is one of the favorite meals for the residents and other hungry visitors.

Please check the sign-up board to see how you can help!

Food will need to be brought to the church kitchen by 9:30 on Sunday, March 12.

Thanks to everyone that supplied food as we hosted the February 12 Bread of Life lunch. Nearly 50 adults and 12 children were fed with the noon meal of sloppy joes, cole slaw, chips and cookies. Donn and I had the privilege of serving these men, women and children. Although many are served via a "to go" box, we were able to interact with those receiving lodging in the facility and eating in the dining room. They are so thankful to receive our meal and most return to the window to say thanks and share their news with us.

Thanks again for helping with this important mission to feed the hungry.

Donn & Linda Vance

Thoughts from your Stewardship Team:

We read daily about a road or bridge or building or bodies deteriorating and in need of removal or renovation. I read the following excerpt recently in a daily devotional and I'd like to share it with you:

Like a lot of those bridges and roads, some of us could probably use a bit of maintenance and renewal. We're all walking around with some visible (and invisible) signs of damage and aging.

"Thankfully, unlike aging "things", Christians don't become functionally obsolete as we age. Granted, some of us don't age gracefully; others of us are – stuck in outmoded ministry models, fighting change at every turn, but we always remain adequate for our task of being disciples. Whatever our age, whatever our abilities, wherever we find ourselves, we are more than adequately equipped to be disciples of Christ. "Are you still breathing? Asks Sister Joan Chittister, "Then you've still got work to do in the name of Christ." Excerpted from "Functionally obsolete" by Linda Post Bushkolsky

There is much each of us can do. Check the bulletin boards and sign up, contact a friend to see how you can help and if you can't figure out how you can continue to be a disciple of Christ, call me or the church office and we'll help you determine how you can use your time and talents for the sake of the gospel.

Linda Vance, Stewardship Team Chair

Stephen Ministry

Your Stephen Ministry Team invites you to consider becoming a Stephen Minister. New classes are being formed now with the term beginning after Easter. It only takes a commitment to the training class and then being assigned a Carereceiver. Conversations and assignments are confidential. Pairings are thoughtfully arranged by a Stephen Leader and the Pastor. Both men and women are needed. CLC has currently "borrowed" a Stephen Minister from St. Francis to ensure we pair men with men

and women with women. Prayerfully consider being a part of this very beneficial ministry. Contact one of our Stephen Leaders to have your questions answered. Applications can be found on the Stephen Ministry bulletin board outside the kitchen.

Peace and blessings,
Carol Donalson, Sue Gauerke, Judy Hammond,
Beverly Olin and Linda Vance
