

Meet the *Clover Duo*: The All-in-One Point of Sale Solution

14" high-definition merchant-facing touch screen

8" customer-facing touch screen

High-speed thermal dot receipt printer

Keep lines moving with a display for you and a touch screen for your guests to confirm their order, leave a tip, redeem rewards, pay, and request a digital receipt.

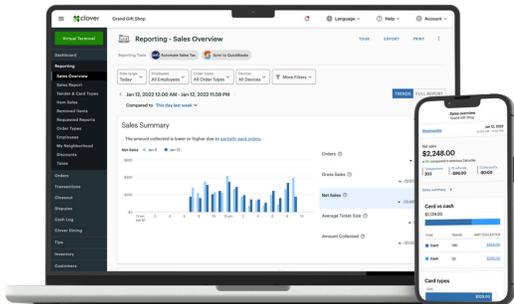

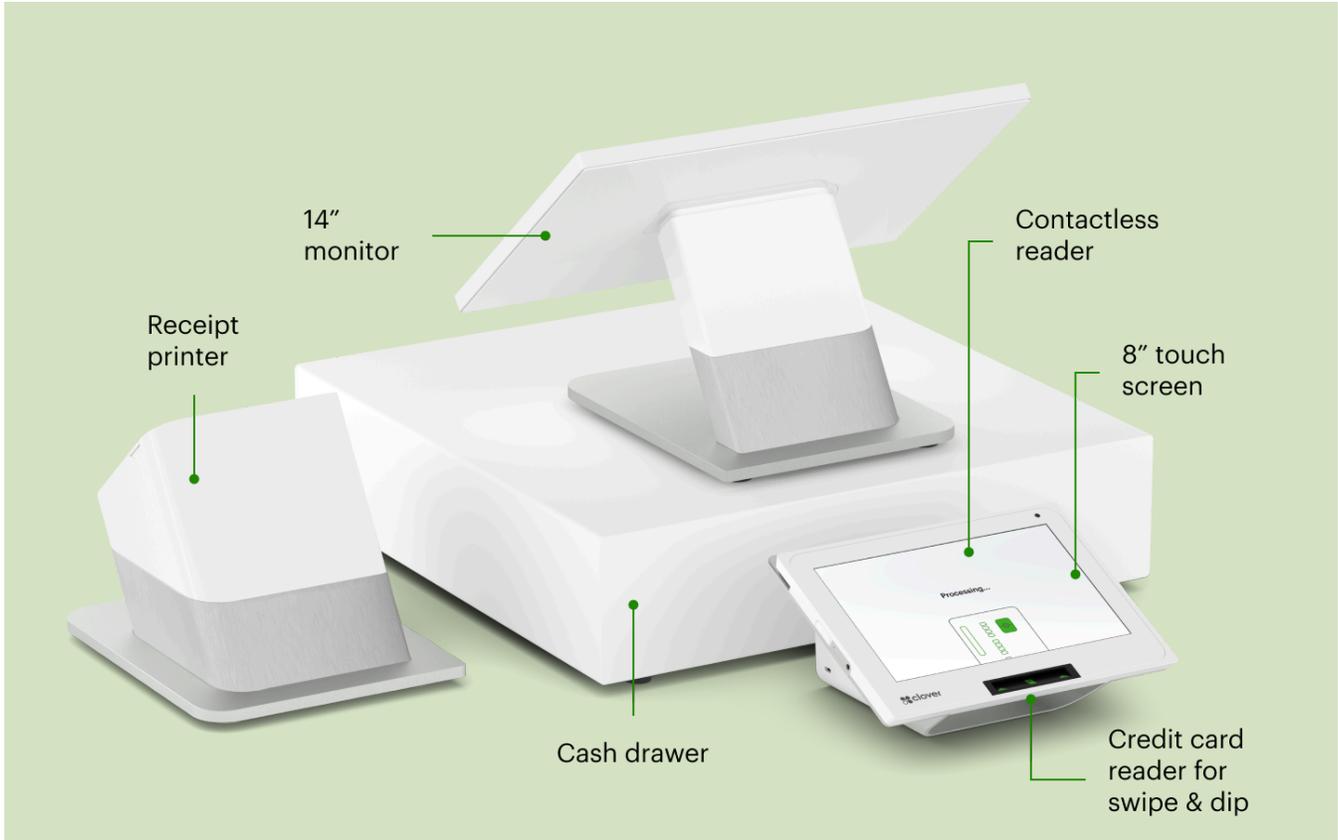

Build a system tailored to your needs. Put together multiple countertop and handheld devices with accessories like printers and scanners, and it all works together, seamlessly.

Whether you run a retail store, café, or service-based business, Clover Station Solo adapts to your needs
