# Givehub Events
https://events.givehub.com

Your all-in-one event building for any occasion.

The complete event ticketing platform with drag-and-drop venue maps, reserved seating, silent auctions with mobile bidding, QR Code check-in and powerful analytics.

From save-the-date and RSVP emails to much, much more. Book a demo today.

From invite to check-in, GiveHub Events handles the whole lifecycle so your team stays focused on the event itself

Use events.givehub to plan and run your next event without the costly fees you'd normally pay with Eventbrite or TicketLeap or RSVPify.

Get started today with white-glove setup and training.

Need Ticket Tiers, Sponosor Levels, Table Sales, Seat-specific seating, Custom forms, or Silent Auctions? We have it all and more.

Book a demo today to learn more.
