

Dress Code

2018/19 Season

TIPS:

Dress Code keeps attention on proper dance technique so that your child derives the most benefit from their class, with safety first!

All Confidanz brand Bodysuits, Tights, Skirts and Shorts are available for purchase at and exclusive to Leap Studios!

Substitute brands permitted - we have brought in Confidanz this season because of its excellent quality and price point

If student has multiple classes in one day, default to their Jazz, Tap or Acro suit

Hair is to be pulled or pinned back for tidyness and safety

All items that come in the studio space must be labelled with student's name; we are not responsible

for lost items and our lost goods bin goes to Goodwill on the first of each month.
