

**200<sup>th</sup> Anniversary Theme Song – “We’re Still Standing”**  
**(Lyrics & Music by Judy Bailey)**

1. Making our way past the gates of yesterday  
While recognising where we’ve been  
Look, see how far we’ve come  
See what our God has done  
We’re still standing and we’re not standing still

2. We made it here on the wings of ancient prayer  
Our faith survived our history  
Our God is still our guide  
And after all this time  
We’re still standing and we’re not standing still

**CHORUS:**

*Pressing onward, looking upward, moving forward*  
*Christ is our rock – on Him we build*  
*We’re one Church – with God together*  
*We grow stronger*  
*We’re still standing and we’re not standing still*

**POST-CHORUS:**

*Hallelujah! Hallelujah Hey!*  
*We’re still standing and we’re not standing still*  
(Repeat)

3. Despite our tears,  
we’ve been blessed throughout the years  
Though there were times our spirits grieved  
Let’s summon up our praise  
Give thanks and celebrate  
We’re still standing and we’re not standing still

4. And though there’re scars,  
we know who and whose we are  
Ours a divine identity  
One hope, one love – unite  
Step out in freedom’s light  
We’re still standing and we’re not standing still

**CHORUS:**

*Pressing onward, looking upward, moving forward*  
*Christ is our rock – on Him we build*  
*We’re one Church – with God together*  
*We grow stronger*  
*We’re still standing and we’re not standing still*

**POST-CHORUS:**

*(Hallelujah!) Anglicans going strong*  
*200 years and we’re moving forward*  
*We’re still standing and we’re not standing still*  
*(Hallelujah!) Anglicans going strong*  
*200 years and we’re moving forward*  
*We’re still standing and we’re not standing still*

5. Serving as one, we are called to overcome  
And by the grace of God we will  
The Church we represent  
Still here resilient  
We’re still standing and we’re not standing still

6. All eyes on God, trust the Word as we walk on  
Restored, empowered, Spirit-filled  
New day and we will rise  
Awake, aware, alive  
We’re still standing and we’re not standing still

**OPTIONAL VERSE:**

7. It’s what we do: as the Church, we contribute  
Spiritually and socially  
We’re working hand-in-hand  
God’s purpose in our land  
We’re still standing and we’re not standing still.

**CHORUS:**

*Pressing onward, looking upward, moving forward*  
*Christ is our rock – on Him we build*  
*We’re one Church – with God together*  
*We grow stronger*  
*We’re still standing and we’re not standing still*

*Pressing onward, looking upward, moving forward*  
*Christ is our rock – on Him we build*  
*We’re one Church – with God together*  
*We grow stronger*  
*We’re still standing and we’re not standing still*

**POST-CHORUS:**
