

RESILIENT
NEIGHBORHOODS
NEED

*Supportive
Neighbors*

New Yorkers know that street trees are the gateways to our neighborhoods and culture. They silently stand guard over our families, supremely stoic yet everchanging. They provide needed shade on a hot summer day, a home for birds and pollinators and sense of pride in our communities.

Now there is a way to help out a neighbor, friend or local organization that does not have the means or the motive to plant a street tree. Whether through a single contribution or pool from the community, our Good Neighbor package is the easiest way to bring more green to your street.

**EFFORTLESS
FROM SEED TO BLOOM**

Place your confidence in the hands of an expert. For \$5000, we provide:

- Street tree planting anywhere in NYC
- Location and species consultation
- Custom tree guard in one of 25+ designs
- Personalized garden sign
- Two-year tree care and watering service
- Permits, paperwork and inspections

Upon request, we can perform services with complete anonymity.

Our organization is a social enterprise with a mission of improving quality of life for all New Yorkers by providing street trees and their surrounding gardens. We donate 10% of net proceeds to combat climate change and protect our plant's natural resources.
