Master Ueshiro

A Word From Hanshi

Greetings to all,

It has been one year since our August 2002 -40th celebration- in LA. We continue to move forward in the spirit of our founder Grand Master Ansei Ueshiro in this great karate organization.

In honor of Master Ueshiro I am suggesting that we rename our locations Ueshiro (...name of dojo/club) i.e. "Ueshiro Midtown Karate Dojo". This will honor the Ueshiro name and also identify our group. You may or may not do it legally as a corporation or only for your letterheads, advertising and business cards, the choice is yours.

I look forward to visiting your dojo soon. We have recently visited the west coast, the east coast, Hong Kong and Florida. We would like to organize a trip to Israel early 2004 and Hawaii mid/late 2004.

You are strongly encouraged to visit all our locations at anytime. There is a wealth of knowledge given and taken with every journey. Avail yourself of the tremendous experience of each dojo.

Arigato,
Hanshi Robert Scaglione.

Please note that effective immediately Hanshi is discontinuing the Kyoshi1@juno.com email address and will only be using Hanshi-SRKUSA@juno.com going forward.

Housam Abdelrohman
Laura Spinner

Promoted to San-Kyu:

Dalia Grimberg
Shabbir Kazmi

Promoted to Yon-Kyu:

Hend Elsayed
Bruce Peterson

Promoted to Go-Kyu:

Michael Lewis

Promoted to Ro-Kyu:

Arigato to Hanshi for his recent visit. We enjoyed several high level workouts at the various schools in the Northeast region.

Visitors to Hanshi's workout here at Hombu July 24 included Deshi from Santa Monica, CA; Cocoa Beach, FL; Centerville, VA; Florence, MA; Palisades, NY; and Pelham Manor, NY.

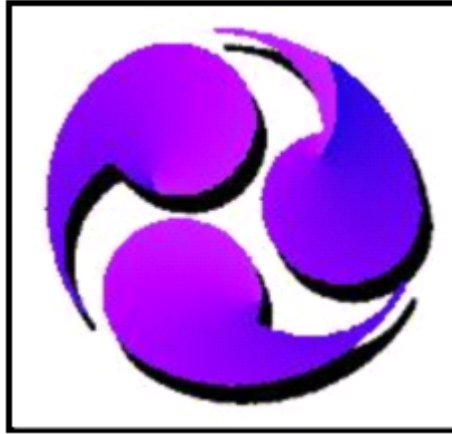

Keep training and we hope to see you soon, either on our deck or on yours.

Greetings Hanshi and all SRKUSA Warriors.

It has been one year since SRKUSA deshi filled the streets of Santa Monica and your spirit still rings true.

This year marked the first white belt to black belt deshi in Bushi Dojo history, congratulations to Edye Harkinrider, Luke Dragamoni, Neil Talbot and Mark Tongret. Arigato Hanshi for conducting the test.

Also Arigato Sensei Zamir in Israel for testing Dan Weiss, who is living in Israel and has meet his future wife.

Also we welcome our new Sempai: Shane Scaglione who has moved to Los Angeles and has nailed a very High Level position under the tutelage of Sensei David Tamir as a technical writer and is moving into his beautiful new apartment as we speak. A true success story. We all love having our American bushi brother on our deck.

"LIFE WITH BONNIE", will enter it's second year, we will be on Friday Nights at 9:30 between the new Kelly Ripa show and Barbara Walters.

Kyoshi Seeger recently filmed the ABC promo's with Bonnie and she really respected Kyoshi's warrior direction and high level talent.

We invite all fellow deshi to please come and train with us, it is the true highlite of my week.

We are moving forward with our classes continuing on Monday and Wednesday nights at 7:30 p.m. at the Wang YMCA of Chinatown, 8 Oak Street West, Boston MA, 02116.

In February, we were honored to participate in the belt promotion at Hombu. Domo arigato gozaimasu to Kyoshi Baker and all the Sensei, Sempai and deshi of Hombu and the other participating dojo for their warm welcome and, of course, to Hanshi whose leadership and direction makes it all possible. We are conveniently located near downtown Boston and look forward to the honor of training with visitors from near or far.

Thank you to Hanshi, Kyoshi, Sensei, Sempai and my fellow Deshi for your direction, encouragement and support.
