With rank comes responsibility.

We look forward to the demonstration that Sensei Joe Knight has set up at the Cherry Blossom Festival in Washington, DC, April 10th. So far we have twelve Deshi signed up including Adam Dunsby who runs the club in Weston, CT, and Stephen Day who will be coming up from Charlotte, NC, where he lives. Chief Instructor Sensei Michael Mackay is organizing our contingent of Deshi.

The Cherry Blossom Festival would be a great opportunity for everyone, especially the Kyu ranks, to participate in a system-wide function and lend support to our brother school in Virginia, and we thank Sensei Knight for the opportunity to demonstrate Ueshiro Shorin-Ryu Karate USA to our capital's visitors. We want a good-sized group of Deshi from our entire organization to attend the demonstration for Ueshiro Shorin-Ryu Karate USA, to make it a success.

Please make plans to attend if possible.

We also look forward to our annual Self-Defense and Assault Prevention Seminar here at Hombu April 14 at 6pm, to be conducted by Director Sensei Kevin Reymond. All are invited.

Finally, we also eagerly anticipate our annual Katathon this month to commemorate Grand Master Ansei Ueshiro's birthday, the week of April 20. And we thank him for bringing karate to the United States.

Keep Training.

Aloha,

The Downtown Karate Dojo would like to welcome our newest member 2005, Roi Globen. In addition we had new addition to the Yon-Kyu (Green Belt) rank. Sempai Brent Takara successfully passed his Green Belt test on February 3, 2005.

Now that we are all well in to 2005, things are finally settling down. We look forward to making 2005 even stronger than 2004. With 90% of the dojo now Yon-Kyu and above, we have made a nice step forward in training and energy levels continue to soar.

Sensei Lorenzo Aguon and his wife, Stephanie Aguon, continue to enjoy the newest addition to their family, Matthew Aguon. One day he'll be soon running around the deck doing his own katas.

We wish everyone very strong next months. With Spring Break here and Easter arriving, the kids are out of school and energy is flowing everywhere. Channel it into the dojo and you will surely have strong workouts.

Greetings from the Hong Kong Karate Club

We are going to raise another round of Sensei Fund through Katathon again this year. Last year, we raised about US\$4000, and we have spent part of it for inviting our father Sensei, Kaplan Sensei, Ro-kyu Dan, to come to Hong Kong. We are targeting this objective once again. We hope our sponsors would be as generous as last year!

Arigato Hanshi and all Ueshiro Shorin-Ryu Deshi.

We here at The Bushi Dojo are moving forward, always stepping first. We have had many deshi from abroad visit our dojo this past year and we look forward to future visits.

I myself was able to participate in the Black Belt work-out at Hombu Dojo with Kyoshi Baker leading the way. What a journey it has been from a white belt in 1982 learning how to cross the deck to 23 years later working repetitions of Kusanku on the same wooden deck.

I hope to bring a contingent of Black Belt testers to the same deck this summer, so they too can share in the experience of that sacred deck.

We keep our doors open so all can have this journey and we bow to Hanshi as the master directing us all towards this goal.

This summer I hope to visit as many USRKUSA Dojo as possible to humbly share in the vision and passion of Master Ueshiro and Hanshi Scaglione. I am inspired by their commitment to the mission and hope to be a small link in the chain. As the small isles of Okinawa holds together that peaceful country, let us hold together the links that bind us as we move forward, always stepping first.

To my fellow Shihan/Denshi I bow and humbly whisper Arigato.

To my fellow Black Belts:

When facing a difficult task, act as though it is impossible to fail.

If you are going after Moby Dick, take along tartar sauce.

Onegai-shimasu Hanshi, Kyoshi, Sensei, Sempai and Deshi,

Our club continues its vitality and vigor! Every year our goal is to visit and train with at least three other dojos or clubs. In 2004 we were represented at the Hong Kong Ueshiro Karate Club, Easton Connecticut Ueshiro Club and the Hombu Midtown Ueshiro Dojo. I have to thank Hanshi, Kyoshi, Sempai and Deshi for all of their instruction. I would also like to extend a special thanks to Sensei Lai and his students for their hospitality and priceless instruction in Hong Kong. It was an experience that I will not forget.

So far in 2005 I have already had the honor to training with Hanshi Scaglione and Sensei Chaskelson at the Cocoa Beach Ueshiro Shorin-Ryu Karate Dojo this last February. I truly wish I had more time to spend visiting them and training at their facility. They are exceptional instructors and their hospitality was second to none. Sensei at other schools have so much to offer, that I strongly encourage everyone to share in the experience of visiting other schools. We hope to have the opportunity to train with many of our other fellow karateka in the upcoming year. We always welcome visitors to our small dojo and encourage anyone in southern New England to join us!

Onegai-Shimasu to All!

Here is our contribution for the newsletter. It is guest written by my son, Noah Kaplan. (He is tied for "senior student.")

"So far karate is going good. There are people moving up levels. We have a green belt work out 5:00 p.m. to 5:30 p.m. on Sundays. We start the regular class at 5:30 p.m. and end at 7:00 p.m. So each class is one and a half hours, and green belts train two hours.

At the green belt work out we do pre-arranged fighting number two and Oyatan-Ren and Pinan-Shodan. The correction we usually get is hand in the pocket. The first Sunday of every month we have a dinner potluck after karate. After the potluck we play a little bit. We have a lot of fun.

We are waiting for it to get warm so we could train outside.

Please visit our dojo because we would like to meet you and train with you.

Sincerely,
Noah Kaplan, Yon-kyu

Onegai Shimasu Hanshi, Kyoshi, Sensei, Sempai, and Deshi-

I am pleased to tell everyone that the P.S. 27 Karate Club has officially had its first two classes. Tuesday I had 10 students, and on Friday 16. So far 24 Third Graders are signed up. A fellow teacher who is helping me out commented after the class that, "This was the most focused he had seen these kids for that long of a period of time." As you can imagine this gave me great joy! I will get walking directions for all of you from the subway soon. This way I will see you all as visitors! As always feel free to contact me.
