

STEP BY STEP SHOEBOX GUIDE

1. Follow the gift suggestions for the age/sex group that you have chosen.
2. The best shoebox is the 6 qt. Sterlite Storage Container (Gray lid) at Walmart. The second choice is the 5.2 quart plastic shoebox from Dollar Tree. The Walmart box is cheaper, larger and sturdier but both are ok.
2. Fill the shoeboxes as full as you can. Always include toothpaste and toothbrush and several toys or "gift" items. School supplies are great for the school age - but don't forget the toys - NEW TOYS.
3. Make sure the items you include are **NEW** and **"age appropriate."** Avoid anything with small pieces or harmful paint for under 3 years old.
4. Do **NOT** include any liquid items – Exceptions: Bubbles (for blowing) and hotel size shampoo and lotion are o.k., but must be enclosed in zip lock bags. NO BARS OF SOAP.
5. If Spanish religious materials have been ordered, fit inside the gift box.
6. Each shoebox should have a **zip lock bag** of **ASSORTED hard, wrapped candy**.
7. A shipping charge of \$5 is required for each shoebox gift. The money should be collected and given to Panama Missions by one check made out to "Panama Missions."
8. Each shoebox must be gift wrapped and have a label on one end indicating the age/sex.
8. The **2025 deadline** for delivering gifts to Montgomery, AL is **October 24**. (The exception is for those congregations on the Panama Missions Truck Route, **October 16&17**)

GIFT SUGGESTIONS BY AGE GROUPS

REMINDERS - There are many other suitable items that you will find while shopping. Avoid overly expensive items, as this may cause jealousies. "Fast food" toys make good fillers, but should not be the only toys. All clothing should be summer weight.

0-12 MONTHS

Up to 6 cloth diapers	Pins & rubber pants
