OPERATION CHRISTMAS JOY

2021 LEADER'S GUIDE

INTRODUCTION: Operation Christmas Joy provides shoebox gifts, gift bags, and school backpacks loaded with small toys, personal care items, school supplies, religious materials and candy for needy children in Panama every December. Mothers staying with children in hospitals are given "care bags." Many of the gifts include a Bible story book or a New Testament. Each gift is also accompanied by a teaching tract with contact information for local churches of Christ. Other items sent include clothing, flip flops, stuffed animals, and church supplies. This guidebook will explain how you can participate. There are pretty specific guidelines about how to prepare and send your gifts. It is very important that you study these guidelines and follow them closely. A mission team from the U.S. travels to Panama in December to join forces with native Christians to distribute the gifts in schools, hospitals, churches, and Indian villages.

**2021 DEADLINE FOR GIFTS IN MONTGOMERY: WED., OCTOBER 13
(Except for those on the Truck Route, which will be October 14-15)**

OPERATION CHRISTMAS JOY CHECKLIST FOR LEADERS

1. Getting Shoeboxes. We strongly recommend that everyone use the same shoe box - the 5.2 quart from Dollar Tree. If there are not enough in your store, you can easily order the number that you need online at www.dollartree.com or ask the manager to order them for you. This shoe box allows us to fit 9 gifts in each shipping box, which saves a lot of space on the container. Don't be confused by another shoe box Dollar Tree may be offering. **You want the SKU #205411.** Allow 1-2 weeks for the store to receive your order. You will probably get an email when they come in.

2. Preparing the shoeboxes to hand out. If you hand out shoeboxes for individuals to fill, be sure give each person a copy of the "Step by Step Shoebox Guide." If you have pre-decided how many of each age you want to prepare, then it is a good idea to put an age/sex label on the outside of each shoebox to remind the participants. A label will also have to be added to each final, wrapped gift. Our new shipping boxes will hold nine gifts, so making 9 of any selected age/sex is helpful (but this is not required).

3. Making Candy Bags. Each shoebox gift is to include a small Ziploc bag of hard wrapped candy (snack size is good) — preferably a **variety of candy**. The best way to have appropriate candy bags is to designate a person or a group to buy the candy in bulk and to assemble the candy bags to be included with all of the gifts. When individuals are left to include their own candy bags, the problems can be these: all of one kind of candy, candy that will melt, too much or not enough candy. **Do not include sugar free.** *Another idea: Ask each participant to donate some candy.*

Compile all of the donated candy and make up the candy bags out of an assortment.

4. Including Religious Materials. Each year you will be provided with a special religious tract in Spanish that should be included with each gift. An original will be provided to you so that you can make copies. The tract can also be downloaded from the website: www.panamamissions.org. **Make sure to use the current year's tract.**

If you choose to also purchase some of the suggested religious materials (Bibles, story books or coloring books), ordering instructions are on p. 5. The storybooks and coloring books can be folded to fit inside the shoeboxes.

5. Setting Deadlines. Be sure to set a deadline for filled boxes to be returned to you that allows enough time for the final steps. There will always be "stragglers." All gifts are due in Montgomery by Oct. 13 unless they are picked up by the truck on Oct. 14-15.

6. Checking and Correcting Gifts. The most important task of the OCJ leaders is to check the gifts before they are wrapped and labeled. Sometimes folks get confused and mix items from different age groups and include items that are not appropriate for the age. Some gifts may be "skimpy" and need some help. Occasionally there are broken toys and items that are inappropriate or even dangerous. Some gifts are filled so full that you will need to "unpackage" items or even remove a few so that the lid will close. You may need to secure some boxes with a rubber band before wrapping, but please don't use shipping tape as the children can't get it off.

7. Wrapping and Labeling Gifts. Each gift should be wrapped in Christmas paper. A label indicating the age/sex must be attached to one of the ends. A well-wrapped gift will hold up much better in shipping than one poorly wrapped.

Example of a well wrapped gift.

Tip: *Pre-cut your paper to just the correct size so that gifts can be wrapped with little waste, and no extra cutting. Also office style tape dispensers are much easier to work with. Wrapping duties should probably be given to those most capable — not young children.*

8. Packing Gifts into Shipping Boxes. We have a **new shipping box** available in Montgomery, which is slightly taller than the egg boxes. We no longer use the egg boxes. Instead we send everything in our new shipping boxes, which helps us load the container more efficiently. (We are happy to supply the new shipping boxes to anyone who can pick them up in Montgomery. Otherwise, your gifts will be shifted into the new shipping boxes when they arrive in Montgomery.) **If everyone will use the Dollar Tree shoeboxes, we can easily get 9 shoeboxes in the new shipping boxes.**

There are several ways that the shoeboxes from Dollar Tree can be configured to get 9 in each shipping box.

Continue to try to fill shipping boxes with the same age/sex when possible. Indicate on the outside of the box what age/sex is included. If you do not have nine of the same age/sex, please indicate on the outside of the box that it is "mixed" and we will repack them in Montgomery with others. To pack the new shipping boxes, stand gifts on end. You can fit 3 across and 3 deep. 3. The drop-off and shipping location is the University Church of Christ in Montgomery, AL (address on p. 1). The truck route is one day later, **October 14-15**.

10. Paying for Shipping. Shipping charges (\$5 for shoe boxes & diaper bags; \$2 for gift bags and stockings) should be sent separately to Sara Bills at the University Church address (see page 1). Please send a check made out to PANAMA MISSIONS (No cash, please). **Do not send money or checks inside shoe boxes or shipping boxes.**

Please include the REPORT form with your check.

11. Gift Bags have become an important part of this program because of some hard to reach locations. We can get 20 or more gift bags in one shipping box, even when the gift bags are quite full. **We need your help** to make the gift bags more consistent. Please consult the instructions on the following page.

12. Sewing Dresses continues to be a popular part of this project. We can use sizes 2-12. We encourage you to be creative. Little girls in Panama like to look special, just like in the U.S. If you can, send panties to go with the new dresses. Please include each dress or outfit in a one gallon zip bag. Write the size on the bag where it can be easily read. **See new guidelines for sending clothing, p 7.**

13. Ready-made clothing for boys and girls. We take all of the new and used **summer weight** clothing for boys and girls that you send. Make up as many sets as you can (shorts/shirt/underwear or dress/underwear) in zip lock bags with the size indicated. We are no longer sending clothing or gifts for teenagers. **NO ADULT CLOTHING, UNLESS NEW.** **See guidelines for sending clothing, p 7.**

14. Hospital Care Packages: Mothers sitting with their hospitalized children have little money and no comforts such as we enjoy in U.S. hospitals. We make up "Care Bags" that include a fleece throw or lap blanket or quilt (the a/c in the hospital is cold), a towel, washcloth, small soaps and shampoos, toothbrush & toothpaste, comb or brush, hard candy, small notebook and pencil or pen, and a Spanish New Testament and a tract. Please send what you can to help. **We order special bags, so just send the requested items. Please package hotel size toiletries in a sandwich bag—one each: shampoo, conditioner, lotion & soap.**

15. Stuffed Animals: We love to give out stuffed animals in Panama. **Your help is needed.** Please sanitize (wash) if possible. Sort by **small, medium** and **large (NO EXTRA LARGE OR LIFE SIZE)** and send to us in **13 gal. trash bags** sorted by the size. Mark the size on the outside with a heavy marker. Tie bags with a bow so we can open them. **NO BAGS LARGER THAN 13 GAL.**

16. Other items always needed: small toys, baby clothing and other baby items, school and Sunday school supplies, flip flops, etc. Over-the-counter medicines are always needed at the Sanson Clinic of Hope — but are never to be included in gift packages.

OVER THE COUNTER MEDICINES

Ibuprofen • Triple antibiotic ointment • Anti-itch cream • Anti-fungal cream
 Adult and children's vitamins • Toothbrushes/toothpaste
 Children's (non aspirin) fever and pain reliever, liquid or tablet • Children's decongestant medicine
 Tablet form of Pepto-Bismol or store brand equivalent • Head lice medication

GUIDELINES FOR GIFT BAGS

There continues to be a need for a large number of gift bags which are easier to transport to remote, hard-to-reach villages.

Could you make some gifts bags with your "left over" stuff, even if you have to **buy a few extra things** to make it work? Or could you just purpose to make 10 or more gift bags? That would be great!

IMPORTANT—Please only make as many bags as you can fill full and correctly. If you still have left over items, send them to us and we will use them to make more gift bags.

IMPORTANT:

1. **Use gallon zip lock, preferably with the double lock strips.**
2. **Put a label** on each bag indicating the age group and sex, i.e. YOUNGER BOY, TEEN GIRL, etc.
3. **In every gift include:** toothbrush, toothpaste, candy, several toys and gift items and the Spanish Tract

Please put a copy of the SPANISH TRACT in each gift bag.

WE ARE NO LONGER MAKING GIFT BAGS FOR TEENAGERS

**USE 1 GALLON ZIP LOCK BAGS
DOUBLE ZIPPER TYPE IS BEST**

MORE SUGGESTIONS:

- Don't include marbles or any "heavy" items.
- Don't include coloring books that make it hard to keep the bag zipped.
- Small clothing items are fine, even flip flops if the bag can be zipped.

YOU MAY THINK OF OTHER SUITABLE ITEMS. YOU DON'T NEED TO INCLUDE ALL OF THESE THINGS — JUST WHAT YOU CAN. **PLEASE INCLUDE THE SPANISH TRACT.**

SHIPPING FOR EACH GIFT BAG IS \$2.00.

**2020 DEADLINE FOR GIFTS
IN MONTGOMERY:
WEDNESDAY, OCTOBER 14, 2020
(October 15-16 for gifts picked up on the truck route.)**

SPANISH MATERIALS FOR SHOEBOXES

Try to decide in advance if Spanish materials are to be ordered and included with your shoebox gifts. Oftentimes, the church will pay for these materials — or a few generous individuals will provide the funds.

HOW TO ORDER SPANISH MATERIALS:

(This company will send samples on request and will bill a church. They are also very helpful when you phone.)

Operation Christmas Joy

YOUR HELP IS NEEDED!

**NEW
INFORMATION!**

Two problems we are seeing when we give out the gifts in Panama:

1. **SKIMPY GIFTS** - When one child receives a “skimpy gift” while his/her friends open well-filled shoe boxes, there are disappointments and jealousies, even tears. (We would rather have fewer gifts than skimpy gifts.)

2. **POORLY WRAPPED GIFTS** that don't make the trip very well.

A well-wrapped gift.

A happy child with a well-filled shoe box gift.

GUIDELINES FOR DONATING CLOTHING FOR OPERATION CHRISTMAS JOY 2021

Because of the large volume of new and used children's clothing we are receiving for Panama, we feel that new guidelines are necessary to enable us to efficiently deal with such a blessing for the children of Panama. Currently the volume of clothing - as wonderful as it is - requires more hours for sorting and packaging for shipment than our small volunteer crew in Montgomery can handle. WE NEED YOUR HELP!

Zip bag labeled: Boy-Nino Sz. 4

WHAT YOU CAN SEND:

1. Home sewn dresses for girls and shorts for boys. If you are sewing shorts, please provide a shirt to go with each one. Provide underwear if you can. Each dress or shorts/shirt should be in a zip lock bag with the size well marked on the outside of the bag.

2. New store-bought clothing for boys and girls. Each dress or shorts/shirt set should be in a zip lock bag with the size written on the bag.

3. Used clothing, clean (no stains), summer weight (no winter clothing, please). Long sleeves and pants are o.k. as long as not winter weight. When sending shorts and tops, please make up as many "sets" as you can and put each set in a zip lock bag with the size clearly written on the bag. Adding underwear is always a plus.

HOW TO DECIDE WHAT IS WORTH SENDING: If you would not want your children or grand children to wear these clothes; if there are stains, holes, missing parts, etc., please do not send.

WHAT SIZES TO SEND: Infant through size 12. (No teen clothes are needed.)

HOW TO PACKAGE YOUR CLOTHING:

Sort everything by size/sex: 0-3 mo.; 3-6 mo.; 6-9 mo; 12 mo.; 18 & 24 mo. together; 2T; 3T; 4-5 together; 6; 7; 8; 10; 12.

Use a separate bag for each different age/sex and indicate the number.

- Use "grocery type" shopping bags for a small number of the same size and sex or 13 gal. bags for larger numbers (see pictures).
 - Write the number/sex/size on each bag as shown in the photos.
 - Use as many bags as it takes to send your clothing sorted like this. Tie the bags.
 - Put all of your bags in one or more 13 GALLON garbage and tag the bag or bags with the name of your church.
- NO BAGS LARGER THAN 13 GALLON.**

Use 13 gal. drawstring bags for larger numbers of clothing of the same size/age/sex.
Tie strings in a bow so we can open and reclose bag.
