From the LVIA Board...

Who's coming back this year to defend their titles as Chili Cook-off Winners? Get out your spices and tune up your recipes for our contest on Saturday, February 7th, from 4 to 7pm. Get your entry forms in by February 1st - it's only \$10 to enter and you can pick your favorite category. The competition was intense last year so we hope everyone is coming back again. And if you like to eat chili better than cooking it, come by to taste all the entries plus get a bowl of chili, cornbread and salad for only \$10. A great deal! And we need a couple more judges too.

If you enjoy the chili, then come back on St. Patrick's day for another good meal. Just \$15 (\$12 for members) gets you a big serving of corned beef, potatoes, cabbage, carrots and dessert! Put Tuesday, March 17, 4 to 7pm, on your calendar.

And now for the big news! LVIA meetings are not always well attended and a couple of months ago it was just us three Board members attending to business as usual, when a gentlemen came in carrying an old box from a crock pot. He said he wanted to give us something and we feared he was donating the crock pot. But instead he said he had been cleaning out his barn and found this box with old papers from LVIA. He said his wife had been secretary many years ago and had kept it all and he hoped we could use it. We thanked him and moved on.

The holiday season being a busy one, we finally had a chance to look inside the box recently. On top was a promotional insert from the Valley Press in 1988. Old, but not too impressive. Under it was pay dirt! A very old binder with the meeting minutes of LVIA starting with "The first meeting of the Improvement Association was held October 12, 1949." There were three people present, just like at our current meetings! The more things change, the more they stay the same.

Needless to say, these records are a treasure trove for those us interested in Leona Valley history and we will be included snippets from the past every month in this newsletter and on our Facebook page. There are still a few of us around to recognize the names of people we knew who were the pioneers of our community. And most of our residents still recognize the name Ralph Ritter.

One of the most exciting discoveries in the past minutes was information about our Community Building. We have always heard vague stories about it, but now we have the actual details which we will be sharing every month and which have inspired us to **declare 2026 as the 70th anniversary of our Building**. The first LVIA meeting in the Building was held on February 18, 1956. Up to that point, all meetings had been held at the Leona Valley Schoolhouse, and this one started there, but after covering other topics, the President adjourned the meeting to the new Building for coffee and donuts. The minutes state that "coffee and donuts were served in the building for the FIRST time."

Our Leona Valley Community Building has served our residents well for the past 70 years so it is only fitting that we celebrate that fact this year. There are only a handful of small communities that have a center for activities that is privately owned and managed. It has required the work on many volunteers, willing or otherwise, to pay the bills, maintain the premises, run the events and activities, etc. It hasn't always been easy or fun, but we have persevered and we can all look back on the great times we have had in all the various organizations that have called the Building home for meetings and events.

We have a theme for our 70th anniversary - Raising the Roof! For us, it has two meanings. First, let's all get excited about celebrating our achievement! We will have special events all year. Second, we need to raise enough money to pay for a new roof! It's been a lot of years since the present one was put on and it is time to replace it. We need about \$15,000 and we are asking our community to support our goal. If you are a current LVIA member, please renew your dues. If not, this is a great time to join us as we look forward to another 70 years!

Lakes & Valleys Art Guild

Our \$100 show was a big success! We sold multiple artworks and our customers took home wonderful pieces, either to enjoy themselves or to gift to someone. The next show started on January 10th and runs until February 14th. The theme is "My Beautiful California", and the artists did a great job of expressing it. Many of the pieces are for sale so come in, enjoy the view, and consider supporting the artists. The featured artist for this show is John Massaro, a local photographer. John described how difficult it is to get great photographs, sometimes waiting for hours or days to find the perfect situation. That's how he gets shots of bio luminescence and the aurora borealis, as well as wildlife.

Our next art show will start February 14th, with a theme of "Mythical Beasts" and the opening will be Saturday, February 21st, with Helen Henry as the featured artist.

Our Kid's Christmas Crafts days were so popular that we have scheduled a series of Kid's Craft days (see flyer below). We have added a new workshop for artists and crafters who want to share their time with other like-minded people. Our Creator's Workshop is on the first and third Fridays of each month, from 2 to 4pm. Stop in any time and bring your latest project to work on. Check our website at www.lakesandvalleysartgallery.org for all of our upcoming events. And be sure to follow us on Facebook.

A New Year and a New Agenda...

What a way to start the New Year! A beautiful bonfire of all the used Christmas trees and lots of hot dogs, cocoa, and chips. Afterwards the kids enjoyed making lots of s'mores. The rain was generous as it stopped just for the event. Hope you were there.

Our next event will be the upcoming Easter Party for all the local children. This will take place at the Lakes Community Center on April 4th. There will be lots of eggs to hunt for, with 6 special golden eggs that will award the finder a special prize. Also, lots of cookies, and some craft projects to do while waiting for the Easter Bunny to arrive. So put this on your calendar and bring the family for a fun day.

And another event, coming up in May, will be our Annual Yard Sale. Keep an eye out for our requests for items to donate in the coming months. And as a reminder we cannot accept furniture, electronics, or clothes.

Lastly, we want to thank all of you for supporting us throughout the past year. Without you all the things we work at couldn't be done. Information on our club is available on our Facebook page at Hughes-Elizabeth Lakes Woman's Club or call our President Judy Miller at 661-609-4822.

GYMKHANA QUEENS CELEBRATE!

Our Leona Valley Gymkhana Queens celebrated 3 out of their 5 birthdays at Don Chatos. Turns out three of the girls were born in the busy months of December and January! They all had a great time and are looking forward to celebrating the next two.

The Queens will be busy this month with a local clinic to learn flag holding skills and another one in Temecula at the Rodeo Queens Clinic where they will learn proper etiquette for Queens, both off and on horses.

They will be putting all their new skills to work starting at the March 28th Gymkhana when the new season begins.

The Hughes-Elizabeth Lakes Women's Club

The LWC is a philanthropic organization dedicated to helping others not only in the local area but also beyond these borders.

Meetings are held the second Wednesday each month except December when we break for our annual Christmas party. We meet at 11 am in the Lakes Community Center on Elizabeth Lake Road. All ladies of the Lakes and Valleys area are welcome.

The LWC holds many fun events during the year, the biggest being Casino Night. In addition, most of the Lakes Community Center projects find the LWC helping in some way.

The majority of our time and effort goes to making turtle pillows, lap blankets, and quilts for the Painted Turtle Camp. The meetings for sewing these items are held most Mondays from 10 am to 2 pm. We take a break for a potluck lunch at noon.

Be a part of the fun and fellowship by calling our President, Judy Miller at 661-609-4822. You can also look us up on Facebook at Hughes-Elizabeth Lakes Woman's Club.

4-H Racketteers attend Livestock Symposium

The Antelope Valley 4-H 2026 Livestock Symposium was hosted by the Palmdale FFA at Palmdale High School on Saturday, January 24th. A lot of 4-H clubs came to learn from swine, sheep, beef and veterinary speakers about how to care for their animals, raising them, and showing them at fair.

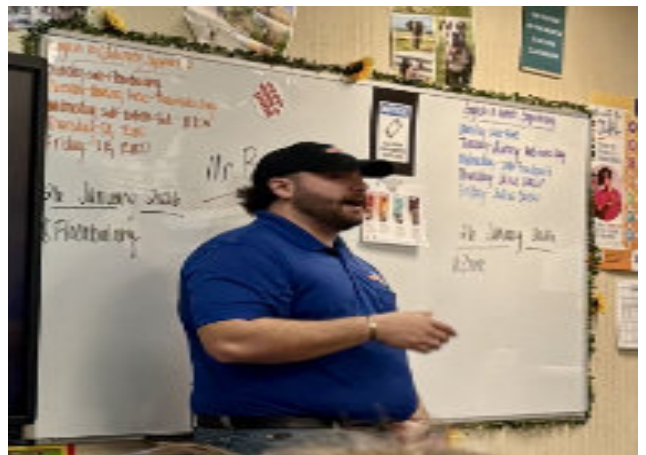

I, Avery, attended two of the swine sessions led by Caleb Bairos, who spoke about basic pig nutrition and being successful in the show ring at fair. Dr. Lennox and Dr. Dave from the AV Animal Hospital spoke to the 4-Hers about livestock husbandry at home, transporting them in trailers, and care at the fair grounds. There was a lot of good information given out! It's also exciting to talk to other kids about their animals with fair coming up in April!

The Leona Valley Racketteers next meeting will be on Monday, February 16th at 6:30pm at the Leona Valley Community Building.

Avery Cramer, Racketteers 4-H Reporter

Dr. Lennox and Dr. Dave, from the AV Animal Hospital, had a lot of great advice on keeping our animals safe, healthy, and happy.

WAVHS Learns About Bicentennial Wagon Train

Our speaker at the January WAVHS meeting was Jeanette Lundberg, former President of the Hughes-Elizabeth Lake Women's Club. She was fortunate enough to participate in the 1976 Bicentennial Wagon Train Pilgrimage, which traveled across the United States to arrive at Valley Forge on July 4, 1976, to celebrate America's 200th anniversary. Over 1000 people rode in 5 separate wagon trains and on horses along historic trails for a year, with at least one wagon representing each state.

Jeanette told about her experience, including being fed from chuck wagons, being greeted by well-wishers with cookies and cakes and being transported across rivers by barge. She still has hundreds of photos and memorabilia which were very interesting to look through. It was an amazing adventure and we were grateful to hear about it. The audience had lots of questions about the details, which she was happy to fill in.

Purpose of Program

The goal of Brianna Brandy Millard Smith's Happy Children Memorial Scholarship Fund, or BBMS is to support recovering victims of domestic violence and families living in sobriety. We want them to live the life stolen from them by domestic violence or addiction. It stole our beautiful daughter, Brianna. It stole our grandsons mother and destroyed many others in its wake.

How We Help

BBMS provides turkeys and fixings for Thanksgiving dinner and/or Christmas dinner. We provide toys for the children, clothes and food for the family, diapers, and daily needs items. Children are the innocent victims of addiction and domestic violence. We work with local elementary schools and churches. We are also working with a local high school which our daughter graduated from. We try to make their Prom better by providing tuxedo rentals, gowns, and prom tickets for victims of domestic violence and seniors whose families are committed to recovery from addiction.
