From the LVIA President's Desk...

LVIA is officially in its "slow season", with most major events on hold until the weather gets cooler in the fall. That said, the Gymkhana Queens are hosting a line-dancing fundraiser on the patio by the Lee Rackett arena on August 15. It's a "ladies-only" affair, with a live band, a DJ, a raffle, and a best-dressed contest. This is an alcohol-free event. The young Gymkhana ladies hope the community will come out and support their fundraiser by spending a terrific summer evening with them. See the flyer on Page 1.

It's also time for 4-H to start their new year at the August meeting. Now is the opportunity to sign up returning and new kids to one of the strongest and most admired 4-H groups in the state.

On a personal note, my wife Laura and I have decided to move to the Coachella Valley, effective this month. We've been LV residents for nearly 20 years and have thoroughly enjoyed the experience. Leona Valley has been that little slice of paradise that we had hoped for, with the people of LV being the key ingredient. Our upcoming life change will see warmer winters, much less property work, and a lot more golf in my future. You won't completely get rid of us since we plan to motor home back this way during the heat of the summers, and will likely accept some gracious invitations to occasionally "plug in" at some LV friends' homes.

After nearly a full term as President of LVIA I can tell you that it has been an honor and wonderful experience to be part of a Board that has made great improvements to the way we organize and lead events, along with how LVIA manages itself and its property. The LVIA has a long and proud tradition of bringing fun and engaging events to the residents of our valley. These events are what binds us together, with the Cherry Festival and Parade being the culmination of each year's event schedule.

The LVIA Board is going to experience some turnover this coming election cycle and just like when the Town Council put out its call for new members last year, LVIA needs to do the same this month. The official Election Notice can be found in this month's newsletter on Page 10. To emphasize, we need candidates to submit write-ups for their candidacies in August, with elections slated for September. A candidate runs for a particular position, not just to be a member of the Board. All positions are technically available to be applied for (President, 1st VP, 2nd VP, Treasurer, Secretary, Communications Coordinator), but future communiques will announce which positions are actually vacant. There will be a few, including President. Please highly consider being part of LVIA's 74 year old history, and help bring fun and togetherness to our amazing community.

Thanks to all of the friends, neighbors, and acquaintances I met along the way. It was a great last year with a terrific bunch of LVIA Board members, as well as a great 20 years of being part of the Leona Valley family!

Thanks, Jeff Wright (cresta5555@gmail.com).

LEONA VALLEY GYMKHANA QUEENS ARE BUSY!

Our Leona Valley Gymkhana Queens are working hard to represent our community, first with their great float in the Cherry Parade and a plinko game fundraiser at the Festival, and then by bringing back the Queen's Cafe at the monthly Gymkhanas. Recently they had a lemonade stand at one of their homes and followed up the next day with more drinks and cookies at the 49ers Days in Lake Hughes. Here they are, so you can get to know them better.

The Hughes-Elizabeth Lakes Women's Club

The LWC is a philanthropic organization dedicated to helping others not only in the local area but also beyond these borders.

Meetings are held the second Wednesday each month except December when we break for our annual Christmas party. We meet at 11 am in the Lakes Community Center on Elizabeth Lake Road. All ladies of the Lakes and Valleys area are welcome.

The LWC holds many fun events during the year, the biggest being Casino Night. In addition, most of the Lakes Community Center projects find the LWC helping in some way.

The majority of our time and effort goes to making turtle pillows, lap blankets, and quilts for the Painted Turtle Camp. The meetings for sewing these items are held most Mondays from 10 am to 2 pm. We take a break for a potluck lunch at noon.

Be a part of the fun and fellowship by calling our President, Judy Miller at 661-609-4822. You can also look us up on Facebook at Hughes-Elizabeth Lakes Woman's Club.

RACKETTEERS 4-H STARTING A NEW YEAR

The Leona Valley Racketeers 4-H Club is hosting their Open House for the community on Monday, August 18th at 6:30pm! The event will be at the Leona Valley Community Building at 8367 Elizabeth Lake Road. There will be an introduction on what 4-H is, and the projects offered, including; livestock, arts and crafts, cooking, and more! Come check out what the Racketeers are all about, how much fun we have, and make new friends!

My name is Avery Mullen and I am the new Club Reporter. This is my first club officer position and I am so excited for the next 4-H year! I just did my first year in the swine project, and I love to show pigs! Besides 4-H I enjoy gymnastics, hanging out with my friends, and going shopping. I hope to see more of our community members at the Open House!

Welcome to the "Kindness Corner"

Hello neighbors!

I am publishing these coupons of kindness each month for you to share with family, friends, and neighbors around town. I would love to see you share a photo of your experience.

Post your kindness nomination on the Leona Valley Improvement Association Face-book page or send what you did to my email at kathy.owen919@gmail.com or my phone 661-733-2295. The Board will pick a winner each month. I am sponsoring a \$25 gift card to a local restaurant for the presenter! All ages are welcome!..... by Kathy Owen

ICE CREAM SOCIAL ANYONE???

Our club members would like to invite our community to our first "Ice Cream Social". It will be held at the Lakes Community Center in Lake Hughes. The date is Saturday, August 23rd from 3-5 pm. There will be lots of ice cream and many toppings to put on it.

Take time to look through the History room inside the center. This building has been here since 1934 and was built by the Civilian Conservation Corps. Our small area has a lot of history and there are many artifacts to learn from and enjoy. And check out the old Fire Engine in the back that is being restored!

Working so hard on so many projects it seemed time for another outing. So off to Santa Monica Pier we went on the bus out of Palmdale. What a beautiful day. The weather was perfect and so we walked the pier taking in all the sites and shops. Time was spent watching the fishermen drag in a lot of seaweed and then it was time for lunch. After that we loaded into the bus for the trip home. It was a lovely day.

Our next project was 49er Days. We had a float in the parade and almost all our members were on it! We also had a table in the building with a video of last year's events and projects. We welcome all questions from any woman interested in getting out of the house and joining a group of fun-loving ladies. In addition to all this we also helped at the front door. Hope you all came out and had a good time.

We also want to announce a new member to our club. She is Maggie Konik. It is a sincere welcome to her and she will be a benefit to our club. Information on our club is available on our Facebook page at Hughes-Elizabeth Lakes Woman's Club or call our President Judy Miller at 661-609-4822.

COMMUNITY RECYCLING SERVICE

The LVIA continues to provide this well-used service to our residents. As many of you know, there are 6 dumpsters on an upper LVIA property parking lot that are dedicated to cardboard and other recycling. The dumpsters are emptied once a week by Waste Management. However, there are many weeks when all the dumpsters are overflowing well before the end of the week. Residents can help with this issue by breaking down their boxes before placing them into the dumpsters. Flattened boxes make all the difference! Thanks for taking the extra minutes so that all can enjoy the service each week.

Lakes & Valleys Art Guild

The Gallery is hosting a juried show for the month of August. Artist's pieces were judged by an unbiased well-known art expert in Los Angeles and several winners chosen. There is a large variety of beautiful art to admire and, perhaps, purchase!

Several new merchants have joined us recently with new and unique items for sale so which gives lots of options for shopping. Our ongoing classes include the creative writing group, stained glass and mosaics, and acrylic paint pouring. Also, Lori Antoinette will have an acrylic painting class on Saturday, August 2nd, from 5 to 8pm. Check out our website at www.lakesandvalleysartgallery.org. And be sure to follow us on Facebook and Instagram.

WEST ANTELOPE VALLEY HISTORICAL SOCIETY

We had a wonderful time on our field trip to the History Room at the Lakes Community Center in July. Everyone enjoyed seeing the photographs, artifacts, and documents showing the history of West Antelope Valley which are on display. The history of the Lakes Community Center is also very interesting, as it was built almost 100 years ago by the CCC (Civilian Conservation Corps). And their restored Fire Engine was a big hit! Our next meeting on Monday, August 4, will be our annual BBQ at the Lazy T Ranch, starting at 5pm. Everyone is welcome to come see the ranch and all of Jay Tremblay's great collections.

STAY COOL, STAY SAFE, PROTECT YOUR ELECTRONICS TIPS BY AC DAVE HEATING & AIR

The Summer is Here!

As the summer heat cranks up, so do the risks of your electronics overheating in your home. For one thing, high temperatures can wreak havoc on your computers, gaming consoles, and smart devices. This can lead to:

Performance Slowdowns, Permanent Damage, Data Loss, Fire Hazards

Overheated devices lag, freeze, or crash. Disrupting your work-from-home setup or gaming sessions.

Furthermore, excessive heat can fry circuits, shorten device lifespans, or cause complete failure.

Overheating can corrupt files or cause hard drives to crash. Potentially risking the loss of precious memories, as well as critical work.

In extreme cases, overheated electronics can spark, posing a safety threat to your home.

Don't let soaring temperatures ruin your devices or your summer fun! It might not be immediately evident but keeping your home cool can also contribute to the longevity of your electronic devices.

5 Tips from AC Dave Heating & Air to Prevent Electronic Overheating

Maintain Optimal Room Temperature: Keep your home between 68-78 degrees Fahrenheit to prevent devices from working overtime to stay cool.

Ensure Proper Ventilation: Place electronics in well-ventilated areas, away from walls, curtains, or cluttered spaces that trap heat.

Clean Devices Regularly: Dust buildup can clog fans and vents, causing overheating. Use compressed air to keep devices clean.

Use Cooling Accessories: Invest in cooling pads for laptops or external fans for gaming consoles to reduce heat buildup.

Monitor Your AC System: A reliable air conditioner keeps your home and devices cool. Schedule regular maintenance to ensure it's running efficiently.

Trust AC Dave Heating & Air to Keep You Cool!

At AC Dave Heating & Air, our professional and trustworthy team are here to keep your home comfortable. This will assist in keeping your electronics safe. We'll expertly check your thermostat to confirm it's working correctly and suggest simple fixes to optimize your cooling system. We've got you covered no matter if it's working from home, staying connected with friends and family, or keeping the kids cool while they do homework or play with friends. Stay out of the harmful heat and enjoy your home comforts with peace of mind.

Visit our website or Call Today!

Contact AC Dave Heating & Air today for a thermostat check or cooling system tune-up! Visit www.acdaveheatingandair.com or call (661) 270 1961 to schedule your appointment. Let's keep your home cool, safe, and tech-friendly all summer long.

AC Dave Heating & Air - Serving The Lakes & Valleys, SCV, SFV, and the A.V. with pride since 2006!

LEONA VALLEY IMPROVEMENT ASSOCIATION

Board Member Election Notice

The Leona Valley Improvement Association Board's 2024-25 year of service is coming to a close. The annual election for a new Board will be held on September 18, 2025, with the members being seated on October 2, 2025. New candidates are being encouraged to run. There are several vacant positions to be filled.

The Leona Valley Improvement Association (LVIA) was formed in 1949 for the promotion and betterment of Leona Valley residents. It is incorporated in the State of California as a non-profit organization. It has overseen many community activities and been a voice for the community for 75 years. LVIA owns and maintains the four-acre community center property at 8367 Elizabeth Lake Road.

The property includes the Community Building and the Lee Rackett Horse Arena, as well as Heritage Park and the 1915 Leona Valley Schoolhouse, owned by the West Antelope Valley Historical Society. LVIA publishes the Cherry Chapters monthly newsletter for and about the people in Leona Valley. It is mailed to each household and included in our website and is paid for from funds raised by LVIA and sponsors of the newsletter. LVIA depends solely on membership dues, fundraisers and VOLUNTEERS for its support and operations.

The Community Building is used on a regular basis by many local groups for meetings, classes and events. These include Leona Valley Racketteers 4-H Club, Back Country Horsemen, Leona Valley Town Council, West Antelope Valley Historical Society and others. It is in this Building and on the surrounding grounds that the Community and Gymkhana Queens are chosen, that community governmental concerns are addressed, weddings, birthdays and memorials are held and the community enjoys social get-togethers and other events.

LVIA currently holds a General Meeting on the third Thursday of each month at 7:30 p.m. Meetings are open to the public and all residents of Leona Valley are encouraged to attend. The LVIA Board's efforts are directed toward the improvement of life and living in our lovely valley and your support is earnestly solicited. Thousands of residents have devoted their time and energy to LVIA over many decades and, despite a few bumps along the way, kept our organization strong.

Everyone is encouraged to take the time to get involved in helping to **keep our unique way of life** by becoming a member of the Leona Valley Improvement Association Board.

If you would be interested in supporting our community and its interests by becoming an LVIA Board Member, please contact election Chair Peggy Fuller at 805-382-9914.

A Call to Service for Leona Valley Town Council Candidates

On Tuesday, November 4, 2025, the Leona Valley Town Council will hold an election for open seats on the Town Council. Our rural community needs dedicated, service-oriented, Leona Valley residents to represent and protect the interests of Leona Valley citizens. As our community's governmentally recognized representative body, the Town Council serves as Leona Valley's liaison, "watchdog" and action arm in dealing with all government, business and regulatory entities which may influence the Valley's quality of life, interests and rural life style. Serving as a councilperson is an opportunity to make a concrete contribution to a unique community that we enjoy so much.

Duties and demands are modest and are compatible with those of work and family. Service is unpaid, except for the quiet gratitude of your friends, neighbors and government officials. Each council position carries a term of two years and Officers and Directors Liability Insurance is provided at the council's expense. Please consider applying; the rewards of service are well worth the effort.

Leona Valley residents willing to serve their community in this important capacity are encouraged to complete the form below. To be eligible, a candidate must be at least 18 years of age, a Leona Valley resident for at least two years and a registered voter, both within the Leona Valley CSD boundaries. In order to be included in our local newsletters, submit the form no later than September 20, 2025. A "Meet the Candidates" program will be added to the Leona Valley Town Council meeting on Monday, October 13, 2025. The deadline for inclusion on the ballot is October 13, 2025.

For further information, please contact Town Council Treasurer Peggy Fuller at pfuller@leona-valleytc.org. Additional information and a copy of this form are available on our website at: <http://www.leona-valleytc.org>.
