Our sponsors help underwrite the costs involved in producing this newsletter. All sponsorship spaces must be prepaid by the 1st of each month. Checks should be made payable to the Leona Valley Improvement Association (LVIA).

The information you wish to include as a Cherry Chapters sponsor should be mailed to the Leona Valley Newsletter, P.O. Box 783, Leona Valley, CA 93551 or left in the Leona Valley Improvement Association (LVIA) box in Rancher's Market, located at the intersection of Elizabeth Lake Road and 90th Street West.

From the LVIA Board...

Get ready for our annual Fall Garage Sale on Saturday, September 5. Sellers can start gathering their extra items and pricing them to sell. It only costs \$15 to get listed on our map that is available in print at local stores and online as an interactive map. We make it easy for you by doing all the advance advertising and putting up street signs. You just have to put a sign by your driveway and be ready for the buyers to show up.

The deadline to sign up is Wednesday, September 2 at 5pm. Just drop an envelope with \$15 and your address in the LVIA mailbox by the Post Office at Rancher's Market. See flyer on Page 1.

Buyers can find lots of bargains. We usually get over 20 houses to choose from and it can take all day to visit them all. Maps to the houses can be picked up at Rancher's Market and the Art Gallery on the day before the sale. We also provide a link to an interactive map that allows scrolling through all the listed houses to find their locations.

It is election time again for our local non-profit organizations. The Town Council will have three positions open for two year terms. Candidates can fill out the form on page 10 and submit it by email or leave it in the Town Council box by the Post Office in Ranchers. Voting will take place along with the Federal and State elections in November at the Community Building, but the date has not been set yet. Absentee ballots will be available. Eligible voters include all registered voters located within the Leona Valley CSD boundaries.

LVIA also has an election coming up at its September meeting on the 17th at 7:30 pm at the Community Building. The candidates are David Clayton for President, Alex Benjamin for 1st Vice President, Dani Mitchell for 2nd Vice President, Raina Clark for Recording Secretary, Shari Nabors for Treasurer, Monica Boosallis for Corresponding Secretary, and Hannah Faith Clark for Newsletter Editor. All LVIA current members are eligible to vote. Individual members get one vote, family and senior members get two votes per membership. Voters must be present at the meeting. Write-in candidates are allowed.

Our big fundraiser of the year is coming up and we hope to see everyone there supporting us. Don't forget that our Community Building will be needing a new roof soon! Oktoberfest will take place on October 17th at 3pm. Expect plenty of beer from our local breweries, along with great food and entertainment! See flyer on Page 11 for more information. We are always looking for additional sponsors, so please consider a donation. There will be some great raffle items available!

Our Gymkhana Playday events are starting up again after the hot summer days are over (we hope). There will be two Gymkhanas in September and another one in October. This is a great opportunity to introduce your kids to horsemanship or enhance your own riding skills. Even if you don't ride, you can support the kids by coming out to watch and cheer them on.

We continue to offer firearm safety classes so that everyone in your household can be properly trained on how to handle whatever firearms you have in your house in a safe and responsible manner. Check dates on back cover.

West Antelope Valley Historical Society

The next meeting of WAVHS will be our annual dinner on Monday, October 5, at 5pm at Bob Reader's house. He will provide the main course and drinks. Guests are requested to bring side dishes and desserts. It is always a fun time and the view from Bob's deck is beautiful. It is interesting to share stories about the "good ole days".

Welcome to the "Kindness Corner"

Hello neighbors!

I am publishing these coupons of kindness each month for you to share with family, friends, and neighbors around town. I would love to see you share a photo of your experience.

Post your kindness nomination on the Leona Valley Improvement Association Face-book page or send what you did to my email at kathy.owen919@gmail.com or my phone 661-733-2295. The Board will pick a winner each month. I am sponsoring a \$25 gift card to a local restaurant for the presenter! All ages are welcome!..... by Kathy Owen

Kindness is the most tender and powerful way of
leaving a memory inside people's hearts.

Community Queens Are Keeping Busy!

The Leona Valley Queens have had a great summer. Last month I attended the annual Queens pancake breakfast to support Ava who is running for Junior Miss Antelope Valley. She did a fantastic job as a server for the day! It was a fun event with queens from all over.

In September, we are raising money for the annual Kiwanis rubber duck race. If you would like to help us reach our goal please contact one of the queens to purchase your duck for only \$5. I hope that one of our ducks is a lucky winner!

We are looking forward to more fall fun in Leona Valley! I can't wait to see what we get to do next and make more memories with my sister queens.

With love,
Layla Schmitz
Young Miss Leona Valley

Support our Queens by buying a duck! Go to <https://www.duckrace.com/antelopevalley/teams/12327...>

SUPPORT LVIA WITH YOUR MEMBERSHIP

The Leona Valley Improvement Association (LVIA) was formed in 1949 for the promotion and betterment of Leona Valley residents. It is incorporated in the State of California as a non-profit organization. It has overseen many community activities and been a voice for the community for over 70 years. LVIA owns and maintains the four-acre community center at 8367 Elizabeth Lake Road. This includes the Community Building and the Lee Rackett Horse Arena. LVIA publishes the Cherry Chapters monthly newsletter for and about the people in Leona Valley. It is mailed to each household (600 in Leona Valley) and is paid for from funds raised by LVIA and sponsors of the newsletter. LVIA depends solely on membership dues, fundraisers and VOLUNTEERS for its support and operations.

The Building is used on a regular basis by many local groups for meetings, classes and events. These include Leona Valley Racketteers 4-H Club, Back Country Horsemen, Leona Valley Town Council, West Antelope Valley Historical Society, and others. It is in this Building and on the surrounding grounds that the Community Queens and Gymkhana Queens are chosen, that community governmental concerns are addressed, weddings, birthdays and memorials are held and the community enjoys social get-togethers and other events. Thousands of residents have devoted their time and energy to LVIA over many decades and, despite a few bumps along the way, kept our organization strong.

Members receive discounts on most LVIA fundraising events throughout the year. LVIA provides free recycling services to all residents with multiple Waste Management bins located on the Community Building property. LVIA sponsors monthly Gymkhanas for the benefit of young and old alike who enjoy competing on their horses. LVIA also sponsors both the Community and Gymkhana Queens programs. Join today!

Are You Looking For An Additional Level Of Indoor Air Protection?

Breathe Cleaner, Live Better with iWave Air Purifying Technology.

The air inside your home should feel like a safe haven—but dust, allergens, odors, mold, bacteria and other airborne particles can circulate through your HVAC system every day. Changing your filters regularly is an important first step, but homeowners looking for an additional level of indoor air protection may want to consider iWave Air Purifying Technology. Unlike a portable air purifier that treats only one room, iWave is installed directly into your HVAC system.

This allows it to work throughout your home whenever air is circulating. How Does iWave Work? iWave uses ionization technology to help improve indoor air quality. As air passes through your heating and cooling system, iWave generates ions that travel through the occupied space. These ions can help particles such as dust and allergens cluster together, making them easier for your HVAC filtration system to capture. Depending on the iWave product and application, the technology is also designed to help reduce certain airborne particles, odors and microorganisms as part of an overall indoor-air-quality strategy. Because the system works within your existing HVAC equipment, there are no bulky portable units taking up space around your home.

Could iWave Be Right for Your Home?

Southern California homes deal with plenty of indoor-air challenges—from dust and seasonal allergens to wildfire smoke, pet dander and everyday household odors. While no air-cleaning product can eliminate every contaminant or guarantee that you won't experience allergies or illness, improving filtration and air purification can be an important part of creating a cleaner, more comfortable indoor environment. AC Dave Heating & Air can inspect your existing HVAC system, discuss your indoor-air concerns and determine whether iWave technology is suitable for your home.

Upgrade Your Air, Upgrade Your Comfort.

Want to know more about iWave or other ways to improve the air circulating through your home? Call AC Dave Heating & Air today: 661-270-1961. Learn more: ezlink.ai/AC-Dave-Heating-and-Air-Green-Valley

Racketteers Welcome the Community

August was a busy month for the Racketteers! On August 17th, we hosted our annual Open House with many games and activities for the young kids to have fun with while also learning about 4-H and what the Racketteers are about. We had a great turnout, and we are looking forward to a new year!

On August 22nd, the Racketteers hosted our annual Buyer's Dinner. This dinner is hosted by the club to show appreciation to all the buyers of our livestock projects from last April at the Junior Livestock Auction. This is always a great event, and we are so grateful to our buyers for their continued support!

As we move into the next couple months, many of the projects will be starting back up. I am especially excited to kick off our new livestock projects for next year's fair! Scotlyn Leaf - Club Reporter

Hughes-Elizabeth Lakes Women's Club And We Keep Rolling Along...

After a very busy summer we still have a few things to complete. The first thing is the selling of our Monday Night Football Books. We have some left, so if you want to get one call our President at the phone number below before they are all gone.

The second thing is the opportunity to win our special quilt. The tickets are \$5.00 each and the drawing is October 1st. We have been out at some of our local restaurants selling them so keep an eye open on Facebook or on the local sites or you can give a call to our President.

We will be taking on a new project at our Monday sewing and more sessions. We'll be making small purses for young women in Africa so that they can attend school. These purses are designed to carry personal and required needs for these young women students. We are also looking for bargains on fleece. This fabric has gotten very expensive and the Painted Turtle needs lots of it for lap blankets for the children. Let us know if you see anything that we could possibly use.

The next event will be in December when we celebrate Christmas for our local children. As usual, this will be held at the Lakes Community Club in Lake Hughes on December 12th. So put it on your calendar. We will be reminding you each month just in case.

So, if you would like to help with cutting, matching, or even sewing come and join us on Monday's. Remember we always have a delicious potluck lunch. Information on our club is available on our Facebook page at Hughes-Elizabeth Lakes Woman's Club or call our President Judy Miller at 661-609-4822. Our next meeting will be held on August 3rd at 1:30 PM at the Lakes Community Center. Stop by on a Monday to help with our projects. Hope to see you all.

Lakes & Valleys Art Guild

Our current art show is our Upcycled Show. Our artists were very creative in coming up with ways to reuse and recycle items that might otherwise have been discarded. The show continues until October 3, so come on by and check it out. The Featured Artist is Lynda Hoghoughi.

We have several new merchants who have joined us and they are bringing in new types of crafts and vintage items. Prices are very reasonable and it is easy to find unique gifts.

There will be another Acrylic Paint Pour class on Sunday, September 20, from 11am to 1pm. Tami will be teaching how to create abstract designs. The cost is \$45 and includes all instruction and materials and is open to all ages. Everyone has fun learning new techniques!

We have a yearlong series of Kid's Craft days. Crafts are usually geared toward upcoming holidays. The next one will be September 19. We have also added a Creator's Workshop for artists and crafters who want to share their work time with other like-minded people, on the first and third Fridays of each month, from 2 to 4pm. On the first and third Thursdays, there is a creative writing group that meets.

We have a few spaces available for vendors. Please let us know if you are interested in selling your handcrafted (non-food) items. Stop by and check us out.

Check our website at www.lakesandvalleysartgallery.org for all of our upcoming classes and events. And be sure to follow us on Facebook.

Leona Valley Town Council

The Leona Valley Town Council's next meeting will be on Monday, September 14, at 7pm at the Leona Valley Community Building. We will have a presentation by the Red Cross about their program to install free smoke alarms. You can sign up to receive them or volunteer to help install them.

If you want to learn more about the SEA (Significant Ecological Areas) proposed ordinance that will expand the areas in Leona Valley, go to the County's website at <https://planning.lacounty.gov/long-range-planning/cnr/sea-program-update/>. Even though the official comment period has closed, they are still accepting them. Submit them to EPS@planning.lacounty.gov. They have received so much negative feedback, we are hoping for a complete revision of the ordinance.

Join our growing movement.

On Monday, September 14th at 7pm the American Red Cross will join the Leona Valley Town Council to share information about *Sound the Alarm*. Learn about the services we provide to make homes safer from home fires and wildfires, including the installation of free smoke alarms.

Stop by to bring this program to your home or even become involved as an event volunteer as we make Leona Valley safer!

A Call to Service for Leona Valley Town Council Candidates

In November, 2026, the Leona Valley Town Council will hold an election for open seats on the Town Council. Our rural community needs dedicated, service-oriented, Leona Valley residents to represent and protect the interests of Leona Valley citizens. As our community's governmentally recognized representative body, the Town Council serves as Leona Valley's liaison, "watchdog" and action arm in dealing with all government, business and regulatory entities which may influence the Valley's quality of life, interests and rural life style. Serving as a councilperson is an opportunity to make a concrete contribution to a unique community that we enjoy so much.

Duties and demands are modest and are compatible with those of work and family. Service is unpaid, except for the quiet gratitude of your friends, neighbors and government officials. Each council position carries a term of two years and Officers and Directors Liability Insurance is provided at the council's expense. Please consider applying; the rewards of service are well worth the effort.

Leona Valley residents willing to serve their community in this important capacity are encouraged to complete the form below. To be eligible, a candidate must be at least 18 years of age, a Leona Valley resident for at least two years and a registered voter, both within the Leona Valley CSD boundaries. In order to be included in our local newsletters, submit the form no later than September 20, 2026. A "Meet the Candidates" program will be added to the Leona Valley Town Council meeting on Monday, October 12, 2026. The deadline for inclusion on the ballot is October 12, 2026.

For further information, please contact Town Council Treasurer Peggy Fuller at pfuller@leonavalleyc.org. Additional information and a copy of this form are available on our website at: <http://www.leonavalleyc.org>.

Statement of Candidacy for Councilperson on the Leona Valley Town Council

Please submit to: Leona Valley Town Council Election Committee
P.O. Box 795
Leona Valley, CA 93551

Name: _____ Email: _____

Address: _____ How long: _____

Phone numbers: _____

I am a registered voter within the Leona Valley CSD boundaries. (yes or no): _____

YES, I AM WILLING TO SERVE MY COMMUNITY AS A TOWN COUNCIL MEMBER.
Please enter my name as a candidate in the November, 2026 election for Leona Valley Town Council.

Signature: _____ Dated: _____

Candidate Biography:

Please submit a photo of yourself (in digital format) and provide a brief personal biography, stating why you would like to serve and how you will contribute to the Leona Valley Town Council and the community. We will submit your information to the local newsletter and post it on the Town Council web site.
