

## **Violet Flame Chakra Awakening & Violet Flame Rescue Healing Practitioner Certificate IOATH accredited course**

The Violet Flame Chakra is a new energy centre within your Being. With the Awakening of your Violet Flame Chakra your energetic frequency rises, enabling powerful transformation and increased progress upon your spiritual journey.

Connecting to the energy of your Violet Flame Chakra ignites your personal potential, and this can manifest in all areas of your life – the expansion is not limited to those areas which might be considered “spiritual”.

The Awakening of this Chakra brings access to powerful healing tools, the Rescue Flames, associated with the energy of the Violet Flame that were previously inaccessible, together with the blessing of higher clairvoyance "Seeing With The Eyes Of The Soul".

The Violet Flame Rescue Flames can be used alongside your other healing modalities.

The Violet Flame sacred symbol can be used to create a sacred space.

This course is open to all who feel the call to work with the violet flame energies and can be delivered in person or live face to face over Zoom.

This training is a professional qualification accredited by The International Association of Therapists.
