OVERVIEW

RJTech is a Best-in-Class (BIC) Government Services Administration (GSA) Multiple Award Schedule (MAS) contract holder and recognized U.S. SBA WOSB and 8(a) certified small, disadvantaged business established in Prince George's County, Maryland.

Since 2019, we have been providing subject matter expertise (SME) and professional IT services within Cybersecurity, Cloud, Program/Project Management, Financial, and Contract Administration supporting Federal and State Government customers, as well as Commercial and Non-profit organizations.

- ✓ We are a team of highly skilled subject matter experts available onsite and virtually to accommodate your needs.
- ✓ Our processes are performance- and solutions-based to best support your mission end-to-end.
- ✓ Our team provides integrated solutions using a mix of strategy, technology, and business intelligence to tailor deliverables and milestones to elevate quality, scale solutioning, and expedite services.
