- *To whom it may concern,
I am writing to share my confidence in recommending Ms. Charlene Thomas and her colleague Ms. Nancy Robinson for their Conference and Event Planning services.*

I have had the opportunity to work with them for the past four years now and see each year just how dedicated they are to assisting clients in creating a wonderful event that will produce the desired results.

They both have expertise and experience beyond the years that we have worked together and this makes it easy to trust that no detail will go unplanned.

Allowing them to handle the arrangements of your meeting or conference is an investment that you will see a return on quickly. Showing professionalism and integrity at every turn, they are a true joy to work with!

Best regards,
