

COMMUNITY REACH

In FY2024–2025 Tassie Mums supported 2,785 Tasmanian children. This is 3% of all children under 14yrs in Tasmania.

Of the estimated 15,000 children living in poverty in Tasmania, Tassie Mums is only reaching 19% of these children.

Our goal is to increase our reach and impact to ensure no Tasmanian child goes without basic essentials for their health and wellbeing.

2,021 children have access to appropriate clothing after receiving a clothing bundle

\$932,474 worth of material aid provided to the Tasmanian community

103 Babies are sleeping safely after receiving a new cot and mattress

145 car seats and 126 prams are helping children travel safely

84 volunteers and 3 part-time staff

162,000 clothing items diverted from landfill

27.8% of recipients identify as Indigenous

Over 8,997 bundles of goods delivered

Established in 2015, Tassie Mums has provided essential material aid to over 10,000 Tasmanian children.

We've provided over **\$3.2 million** worth of goods to support the health and wellbeing of Tasmania's most vulnerable children.
