

## Coats for Kids

Tassie Mums need winter coats to keep Tassie kids warm this winter

The weather has started to get cold and there are many local families who are struggling to keep kids warm and play comfortably outside.

If your child has outgrown their jacket, coat or vest please consider giving it to Tassie Mums - we need sizes 2 -14 both boys and girls.

Please ensure your coats are clean and in excellent condition so we can quickly give them to families in need.
