We're so proud to be a community partner of MyState Bank Foundation and thrilled to see them recognised with a 2025 Volunteer Impact Award (Corporate and Partnership) at the recent Volunteering Tasmania Awards.

Their support has allowed us to take on a third part time employee, for staff to receive first aid and other training and to support 103 vulnerable and at-risk babies with a safe sleeping space in 2024/25FY.

The MyState team have also been volunteering regularly at our HQ, organising collections of donations and supporting our up coming raffle.

## Impact feedback

*"Tassie mums assistance was organised through my local early childhood centre.*

*I was assisted with far more than I ever thought I could be. A brand new cot and mattress, a brand new highchair, a brand new pram, nappies for two babies and even a pack for mum.*

*I was at my most vulnerable stage and cried when my package arrived. I never knew there was anyone out there that could help me the way Tassie Mums and my local cfc have.*

*I will forever be eternally grateful and when I'm back on my feet, the saying 'what goes around comes a round' I look forward to being able to donate.*

*Thank you simply doesn't seem enough!"*
