

Job Title: IT Security System Analyst

Location: Houston, TX

Employment Type: Full-Time

Salary Range: \$75,000 – \$110,000 (based on experience)

About Us:

At Conglom Entertainment, we produce world-class concerts, festivals, and corporate events that bring people together through culture, music, and entertainment. As we expand our operations, we are committed to safeguarding our digital and physical environments with the highest standards of security.

Position Overview:

We are seeking a highly skilled **IT Security System Analyst** to join our Houston-based team. This role will be responsible for developing, implementing, and monitoring security measures that protect our organization's computer systems, networks, and data. The ideal candidate will be proactive, detail-oriented, and experienced in managing IT security within fast-paced, multi-faceted organizations.

Key Responsibilities:

- Monitor networks, systems, and applications to detect and respond to security breaches or vulnerabilities.
- Implement and manage firewalls, intrusion detection/prevention systems, and endpoint protection.
- Conduct regular security audits, risk assessments, and penetration testing.
- Develop and enforce IT security policies, protocols, and training for staff.
- Collaborate with internal departments to ensure compliance with industry standards and regulations.
- Respond to incidents and provide root-cause analysis with corrective action plans.

Qualifications:

- Bachelor's degree in Information Security, Computer Science, or related field (or equivalent experience).
- 3+ years of experience in IT security or system analysis.
- Strong knowledge of firewalls, VPNs, IDS/IPS, and encryption technologies.
- Experience with regulatory compliance standards (e.g., PCI DSS, GDPR, HIPAA).
- Excellent problem-solving skills and ability to work independently.
- Relevant certifications (CISSP, CISM, CompTIA Security+, etc.) preferred.

Why Join Us?

At Conglom Entertainment, you'll be part of a dynamic, creative, and innovative team that drives

large-scale events while prioritizing cutting-edge technology and security. We offer competitive pay, opportunities for growth, and the chance to make a direct impact on our success.

How to Apply:

Interested candidates should submit their resume and cover letter to hr@conglom-ent.com with “IT Security System Analyst – Houston” in the subject line.
