NEW PRODUCT

MODEL 9116 **COMPACT WATER FILTRATION PUMP**

The NEW Aerospace America Compact Water Filtration Pump is light, small and easily carried on the job site. This unit is 22lbs and only 7.5"x20"x15" in size. The motor is strong and efficient at 6 GPM, 60 PSI and only draws 2.1 amps at 110V. Garden hose attachments are located on the outside of the housing for easy access. Our pumps have isolation feet for quiet operation and are of the highest quality and strongest construction on the market.

100% Made in the U.S.A
