

LOCAL ROOTS FARM 2020 CSA MEMBERSHIP AGREEMENT

2020 CSA MEMBERSHIP AGREEMENT

We, Local Roots Farm, pledge to provide our Members with fresh, NOFA certified organic, local seasonal food. You, the Member, will receive a portion of our harvest. This agreement outlines our shared commitments to that relationship. By purchasing a membership share, you agreed to the terms and conditions outlined herein. Please retain a copy of this agreement for your own personal records.

Becoming a member of Local Roots Farm:

CSA Stands for *community supported agriculture*, which is **basically a subscription for vegetables**. Members pay up front to secure their share. We farmers then use the money to purchase seeds and equipment to get food growing. Then, each week, beginning in *mid June 2020 to mid/late October 2020* , we deliver fresh, local vegetables to our farm members.

GROWING PRACTICES

- ❖ We believe in providing fresh, seasonal, certified organic veggies from our farm to your home. We believe that people should have a relationship with their food, one that gives back to both members and back to the land. We believe in transparent farming practices. Our farm records will be available to all members upon request. We welcome any inquiries about our standards or about our growing practices.

SHARED RISK

- ❖ Members of our CSA get the opportunity to share in the abundance of a local Western New York farm. With that opportunity there are risks associated with our growing season. We are committed to minimizing those risks, yet risks will always remain. We promise to do our best to provide you with a bountiful share each week. By joining our CSA, you are agreeing to share the risk of crop failure with us and all of our members.

- ❖ Should this happen, members will be contacted directly, as soon as possible, to discuss options for remediation. **However; it is unlikely that we would be able to refund membership fees or even partial membership fees, as the money is used to fund the seasons expenses. Please take this into consideration when joining our CSA.**

SHARED REWARD

- ❖ There is an opportunity for developing connections and relationships between the farmer, the land and other fellow CSA members through the farm newsletters, on-farm events, volunteering on the farm, potential hands on classes regarding cooking and growing & community group discussions. These types of learning activities and community events would take place both at Local Roots Farm and pick up places location; Singer Farms Naturals.
- ❖ A sense of “we’re all in this together”. When our harvests are abundant and overflowing, your shares will be as well. We the farmers pledge to you to give our very best and do everything within our power, while remaining within our sustainable practices, to provide you as a Member with the absolute best available produce every week.
