The Voice of Kali

By Ekta Bajaj

The Voice of Kali is an empowering book for women of all ages and cultures. Kali is the goddess of empowerment and transformation. She symbolises both spiritual and psychological liberation and is an archetype of awakening. The book takes the reader on a step-by-step internal journey leading to inner transformation and realisation that the power to manifest, create and nurture is all seeded within you.

The author says:

It's a book that I hope every mother reads to her young daughter before she embarks on the journey to womanhood, so she is aware of the dormant innate power she holds. It's also a book that I wish that every daughter gifts her mother so she may honour her energy and purpose in life. It is also my wishful desire that a man gifts this book to the woman in his life so she may embrace her power and expand her aura for the world to see. But beyond all my wishes, I truly hope and pray that it is a book that women give to themselves, so they may learn to tap into their immense beautiful aura of Kali.

The words are one thing but the artwork is absolutely mind blowing. The passion through the strokes of colour just adds to the soul of everything the book is. Not only do you feel the words but you feel the art too. Ah amazing Ekta, an uplift I needed and so glad I purchased.
