The show will be conducted and judged in accordance with rules of USA Working Equitation. The rules can be found at the following site: www.usawe.org/competition/rules/. It is the competitor's responsibility to read and understand the rules prior to the competition. The 2025 USAWE rules allow Level 1 riders receive a 5-point penalty in lieu of disqualification for performance-related infractions. Also, both Level 1 and Level 2 riders may have a caller for all trials.

Divisions will be split as follows: Youth under 18, Adults 18 and over as of 1/1/2025. However, at show management discretion, adjustments may be made to the divisions in an effort to equalize the number of entries in each non-adult division while keeping them age appropriate.

Ride times and a course map will be made available within the week prior to the show. Ride times are considered tentative and it is the rider's responsibility to know the entry order and monitor the progress of the trial to ensure they are ready at the gate when called. Competitors have 60 seconds to appear at the gate after being called or will be disqualified (see USAWE Rule Book 7). The USAWE dressage tests can be found at www.usawe.org/competitions/rules.
