

Medallion Entertainment Group

September 16, 2022

FOR IMMEDIATE RELEASE

To all concerned parties-

Due to circumstances outside of the control of Medallion Entertainment Group and the artists scheduled for the weekend's event, we write regretfully to provide notice of the cancelation of the Dazed on the Green Music Festival and Cannabis Expo scheduled to take place September 17 & 18 at the Stanislaus County Fairgrounds in Turlock.

Despite substantial efforts to salvage the events scheduled for this weekend, we have come to the determination that proceeding under the present, unprecedented circumstances would pose a significant risk to the health and safety of all those involved in the events. We cannot, in good conscience, place any person at unreasonable risk. Our team will be coordinating to offer refunds for all guests who have prepaid for tickets, as well refunding all sponsors, vendors, and artists who stood ready and willing to perform this weekend.

It is our hope and present intention that we will be able to work with the Stanislaus County Fairgrounds Executive Team, local authorities, the Department of Cannabis Control, as well as participating vendors, and a new roster of artists for a future event.

Customers who purchased through Eventbrite will automatically be credited back their full refund.

Customers who paid cash at a Medallion Wellness location may receive a full cash refund by returning their ticket to the location it was purchased.

Sincerely,

Michael O'Leary, President
