COMPANY PROFILE

Established in 1983, Fencing Specialists, Inc. is a family run company servicing Southern Nevada with superior service and exceptional fencing products. We design, fabricate, install and repair fencing, gates, gate operators, access controls, ornamental metal and railing systems. Our team of skilled fence erectors are certified OSHA, Forklift, Boom Lift and Scissor Lift Operators. Our crew members have been through sensitivity and WEAP training while performing on tribal lands and for renewable energy projects. We proudly work on Project Labor Agreements and have teamed with the Local 872 on several projects throughout the Valley.
