

CHILLS ON WHEELS HEATING & AIR CONTRACTORS, INC. (CAC1818212)

Welcome to the Family!

Thank you for choosing Chills on Wheels Heating & Air Contractors, Inc as your HVAC Installation Specialists.

There are just a few things we want you to know:

- Included with your new system, you will find the owners manual for your new system. If you do not, please reach out to chillsonwheelsoffice@gmail.com to receive a virtual link of it.
- You can expect to receive your Warranty Information by email from the Manufacturer.
- The filter size for your new system is located on the sticker that has been placed on the unit for your convenience.
- We offer affordable filter services that can bring your filter right to your doorstep on our website. (www.chillsonwheels.com) Your filter should be changed every 3 months to keep your system running efficiently.
- Keep your system healthy by continuing your Member “Ice Cold” Savings Plan after your FREE year is over that is included with your installation. You can easily sign up again online with the QR code provided on your unit.
- We are ALWAYS here for you so you can have peace of mind! Call us or Message us any time!
