

SOUTHEAST LLAMA RESCUE, INC

Agreement to Foster Llamas / Alpacas

In consideration of mutual promises by the parties hereto, which are acknowledged by the parties hereto, Southeast Llama Rescue, Inc. and the foster farm agree as follows:

TERMS AND CONDITIONS

A. General

1. Southeast Llama Rescue, Inc. using ordinary standards of care, accepts no responsibility for injury to or death of the camelids(s) or their cria for the period of this agreement.
2. The foster farm will hold harmless Southeast Llama Rescue, Inc., its property, including camelids and cria from damages, loss, claims and injuries to persons or property caused or arising from the performance of this agreement.
3. This agreement will be governed by the laws of the State of North Carolina.
4. This agreement represents the entire agreement between the Southeast Llama Rescue, Inc. and the foster farm and supersedes all previous verbal and written agreements.

B. Conditions of fostering

1. The foster farm will have been accepted as an approved home via receipt of a completed application and subsequent farm check to verify the facility meets SELR requirements and is adequate to house the type and number of animals detailed within this agreement.
2. Southeast Llama Rescue, Inc. reserves the right to inspect the foster farm's facilities and to cancel this agreement if facilities to house the camelid(s) are unsatisfactory.
3. The foster farm agrees to maintain the animal(s) described in this agreement for the period listed in this agreement or if none listed until the foster farm wishes to return them.
4. The foster farm agrees to return the camelid(s) to Southeast Llama Rescue, Inc. if for any reason they cannot care for, or no longer want the animal(s), and will not sell, give away, transfer or dispose of the animal(s) in any other way.
5. The foster farm will allow an agent of Southeast Llama Rescue, Inc. to inspect the fostered animal(s) periodically.
6. The foster farm agrees to protect non-breeding females from exposure to intact males, and understands that failure to do so will result in the female(s) and cria(s) returning immediately to the possession of Southeast Llama Rescue, Inc.
7. The foster farm will notify Southeast Llama Rescue, Inc. of the animal(s)'s death within 24 hours. If feasible, confirm with the Adoption Coordinator regarding whether to obtain a necropsy to be performed at SELR's expense.

SOUTHEAST LLAMA RESCUE, INC

Agreement to Foster Llamas / Alpacas

C. Financial responsibilities when fostering

Southeast Llama Rescue Inc:

Agrees to pay for all necessary emergency medical expenses, to include vet services, special feeds and over-the-counter meds reasonably required on an emergency basis, and such other medical expenses as may be approved in advance by a SELR authorized agent or authorized herein, during the period of this agreement. The foster farm shall obtain advance approval from a SELR authorized agent prior to incurring non-emergency expenses that exceed \$100.00 on a one time basis and shall notify SELR on a monthly basis of all expenses.

Animals moved to a foster facility will be wormed prior to transport if feasible, but if not SELR will cover the expenses associated with fecal testing and subsequent worming for new arrivals. In the case of resistant parasites or other special circumstances requiring more than a single round of de-worming (or perhaps utilization of a different wormer), the foster and associated Coordinator will map out a plan of action and SELR will bear the costs associated with bringing the animal to an acceptable level of health necessary to release them for adoption.

Foster facility

The foster farm agrees to provide regular feed, hay, minerals, vaccines, de-wormers (after initial round), and any other routine products for the period of this agreement.

Note: SELR does not pay boarding fees of any kind. The foster farm's contribution to the overall rescue effort is to provide safe haven for animals seeking permanent placement until such time as their forever home is found.

D. Adoption

On or before the conclusion of the agreed upon Foster Period, the foster farm can enter an adoption agreement for the llama/alpaca upon paying the agreed adoption fees to Southeast Llama Rescue, Inc. At that time an Adoption Contract will be created and once signed, the foster farm becomes the permanent home for the animal(s).

Foster farms have the right of first refusal while the animal(s) are in their care.

Agreement to Foster Llamas / Alpacas

FOSTER TO ADOPT: [☐] YES [☐] NO

If this is a “foster to adopt” agreement where the foster animals are being evaluated for permanent adoption, the animals listed within this agreement will NOT be advertised as available until the foster facility confirms they will not adopt and we need to seek other opportunities for the animals.
