

Centennial High School

Dear Patriot Community,

I hope you are all enjoying your summer. We all know that soon it will be time for a new school year to begin. Our 2017-18 school year was full of great accomplishments that included National Merit Scholars, state championships, an outstanding graduating class, and a significant gain in the student enrollment at our school. We want to build on these successes by looking to the upcoming school year with much anticipation.

The staff at Centennial will ensure that our students experience an education that exhibits both high academic and character expectations. Our staff is committed to making a difference in the life of each child through a rich and rigorous curriculum and through real world experiences that will prepare the students for adulthood. Our course offerings and relevant experiences will assuredly prepare our students for future opportunities. Parent involvement plays a vital role in a child’s success during their high school years. We continue to encourage parents to track the academic success of students through use of the PowerSchool Parent feature that can be accessed through the district web site (www.westada.org). The site will be accessible once school begins with the use of a specific parent username and password. A username and password can be obtained by contacting our registrar or by coming into the school.

Centennial High School tradition and culture has always involved high standards in and out of the classroom. For 31 years, active student participation in the numerous clubs, organizations, activities and athletic teams is desirable, as is the strong and positive support from the parents and the community. Simply put, we want our students and parents to be invested in their school! Together, we can ensure that your son/daughter finds success.

The Centennial High School experience is a unique one. Your child will be taken care of in every possible way by our outstanding staff. High school is an important time for students and parents. We will assist the students with their educational journey and ultimately launch them into their post-high school lives. Enjoy the remainder of the summer!

Sincerely,

Mike Farris, Principal

We Believe...

- *In developing life-long learners*
- *Everyone should be responsible, honest, and caring*
- *In accountability by staff, parents, and students*
- *In a rigorous curriculum that prepares students for a changing world*
- *In providing a safe and caring environment that facilitates learning opportunities*
- *In providing for a variety of learning styles*

BUILDING SECURITY:

Beginning this summer, CHS will have a new building security system installed. This system will automatically lock all of the exterior doors in the building during the school day. Access to the building for employees and students will be gained with key fobs (adults) and digitized ID cards (students.) **For visitors, a “buzz-in” system will be installed at the**

main front doors. Access to the building will be obtained when an employee inside the building opens the door electronically from inside, allowing the visitor to enter. A valid form of ID will be required for any visitor who is requesting an extended visit.

We have many details to work out and communicate with everyone regarding this new system. Please know that it is a district effort to ensure the safety of our students and staff while they are at school. As these details get worked out we will be communicating with our school community through informational Blackboard messages.

Our Mission...

*Enlightenment

TESTING INFORMATION

PSAT/NMSQT:

The PSAT/NMSQT will be given on Wednesday, October 10th from 8:00 a.m. to 12:30 p.m. The PSAT (Preliminary Scholastic Aptitude Test) is a practice test for the SAT given to every Sophomore, paid for by the State of Idaho. The PSAT/NMSQT is the National Merit Scholarship Qualifying Test for juniors and the cost is \$15. The PSAT/NMSQT is optional for Juniors who wish to compete nationwide for the National Merit Scholarship.

The SAT is a college entrance exam. The State of Idaho will pay for every Junior to take this exam. The exam is usually given in mid-April.

ACT AND SAT:

SAT: www.collegeboard.org

ACT: www.actstudent.org

Our school code is: 130389

Off-line registration packets are available in the Career Center.

ISAT SCORES

This last spring, tenth graders were once again given the ISAT (Idaho Standards Achievement Test). This test provides teachers, administrators, students and parents with an accurate assessment of student progress in mastering the skills of Mathematics, Reading,

Language Usage, and Science. Each test contained items that match the state content for each grade and a level of difficulty appropriate to the average student in the grade.

SENIOR INFORMATION

**January Early Graduation Deadline:
Final exams and grade/credit received by January 21, 2019**

Senior Ads:

Senior yearbook ads are available for \$25, \$50, \$100, and \$200. These range from 1/8 page to a full page. The larger ads work well for groups of friends and are very affordable when several parents share the cost. This is a great opportunity to spotlight your graduating senior. **Senior ads are due to the yearbook advisor by January 7th, 2019.** Call Thomas Berry, yearbook advisor, for further information at 855-4250 ext. 1239.

Senior portraits for the yearbook are due to the yearbook staff no later than January 7th, 2019. This is the date the yearbook staff needs the pictures from the photographer, so your appointment should be no later than October 1, 2018. Seniors, you will need to have a private photographer take your picture. Hill photography does come in September to take a draping or tux senior picture for \$25. The local photographers all have the specifications for the formal yearbook portraits. Please submit a 2.5X3 cropped image at 300dpi, submitted on a disk **OR** emailed to Thomas Berry, Yearbook Advisor, at berry.thomas@westada.org.

Senior Caps and Gowns:

MESSAGE FROM THE NURSE/HEALTH ISSUES

SCHOOL HEALTH PROGRAM

The school nurse is a registered nurse responsible for the identification, management and planning of health issues in schools. The school nurse's role is to maximize a student's ability to learn by giving first aide to the ill and injured, supporting students with special medical needs, identifying and controlling communicable diseases, monitoring medications, and guest teaching on health related subjects. We request parents to notify the school nurse of any student illness or medical problems that could affect their student's well-being or academic success. Carmen Stephens is our school nurse here at Centennial High School. She can be reached at extension 1040, or through email at stephens.carmen@westada.org.

ILLNESS/INJURY

When students become ill or injured at school, they should go to the nurse's office. **A pass from the teacher is required, except in an emergency.** Students will not be permitted to leave school without permission from the parent or specified emergency contact person. Parents are requested to keep daytime phone and emergency contact information current. Being in the nurse's office longer than 20 minutes may count as a class absence. For the nurse to medically excuse a student's absence from school, the student must have an objective sign or symptom (i.e. fever, severe injury, etc.) If a student has no chronic or serious illness or injury, a parent is asked to bring in proper documentation and show it to the nurse directly.

MEDICATION AT SCHOOL

Students who need to take prescription or over the counter medication during the school day must bring it to the nurse's office in a properly labeled prescription bottle or original container. A consent form must be completed by the parent and on file with the nurse for any medication to be given. Students who fail to adhere to this procedure are in violation of the district drug policy. Juniors and Seniors are allowed to carry one day's dosage of over the counter medications such as Tylenol or Advil with them at school if they have completed a self-administration form. Emergency medications may be kept in the nurse's office and/or carried by a student for self-administration if the appropriate self-administration form has been completed. Students who need to carry emergency medication to treat asthma or severe allergies may do so according to district policy procedures. Please contact the school nurse regarding required procedures for emergency medications at stephens.carmen@westada.org. **Consent forms are located on the district site or by contacting the school nurse.**

IMMUNIZATION POLICY

Any student enrolling, transferring or returning after withdrawing must show verifiable documentation of immunization at entry or reentry. Exemption from this law is allowed for medical (with documentation from M.D), personal or religious reasons. Any student claiming an exemption must have an Idaho Exemption Form on file at school. Exemption forms are available from the school nurse. Students with exemptions may be excluded from school for an extended period in the event of an outbreak of a disease for which the student is not fully vaccinated.

SEE PAGE 11 FOR GUIDE TO REQUIRED IMMUNIZATIONS

- (3) Polio
- (3) Hepatitis B

Children born after September 1, 1999 through September 1, 2005 must have a minimum of:

- (5) Diphtheria, Tetanus, Pertussis (DTaP)2
- (2) Measles, Mumps, and Rubella (MMR)
- (3) Polio
- (3) Hepatitis B

MINIMUM IMMUNIZATION REQUIREMENTS FOR SCHOOL ENTRY (Preschool & K-12)

Immunization Requirement by Age and Doses of Vaccines Required:

Children born on or before September 1, 1999 must have a minimum of:

- (4) Diphtheria, Tetanus, Pertussis (DTaP)
- (1) Measles, Mumps, and Rubella (MMR)

ATTENDANCE

855-4252

Any student absent from school must have a parent or guardian call within 48 hours to avoid truancy. Please call the attendance office to excuse your student prior to their absence. Voicemail is available 24/7. Students who do not have a parent call will be considered truant and may not be allowed to make up missed work.

Please excuse your student by spelling the student's last name, give the student's grade, the date or dates of his/her absence, along with **your** name and phone number. Notes are **not accepted** unless arranged through your Assistant Principal. **If an absence is not cleared within a week, a truancy will be issued.**

The attendance phone number is 855-4252

Medical Absences:

Absences will be excused medically and will not count as part of the three allowable absences for the time of visit to the doctor/dentist and reasonable travel time when a doctor note is turned in. These notes should be submitted to the attendance office upon return to school. The school nurse should be contacted for extended medical absences which exceed three days. Please provide the original medical excuse. For security purposes, no photo copied medical excuses will be accepted. Faxes are only accepted if it comes directly from the doctor/hospital. **Students who reach 4 absences in a class will lose credit in that class.** Reported absences that are excused by a physician, hospital, or court appearance, must be documented. Documented absences do not count towards a student's total absences. (Please refer to student handbook). All absences will appear on the student's report card.

All errors are cleared through the teacher, not the attendance office.

Parents can obtain up-to-date attendance reports on Power School. Requests for attendance reports can be printed by the attendance office.

Tardies: The school has a uniform tardy policy. Students are assigned lunch detention for each tardy. The detention can be served the day of the tardy or the following day. Uncorrected tardies will result in a penalty of losing credit.

Truancy: Truancy occurs when (1) an unauthorized phone call is made; (2) an unauthorized note is sent to school; (3) the parent fails to excuse an absence by calling within 48 hours; (4) the student leaves school without a Permit to leave; (5) the student is in the building, but is out of class without permission. **A student may receive a zero for any work missed while truant/unexcused.**

Permit To Leave Campus (PTL):

Failure to secure this permit will result in a truancy as stated in the school handbook. Students must have their permit with them when they leave campus. All Permits to Leave (PTL) will be delivered to the classroom at the beginning of class to minimize classroom interruption, therefore it is very important that you give the attendance office ample time. **A minimum of at least 2 hours lead time is appreciated.** **If the permit is for an early morning appointment, please call by 4:00pm the day prior to the appointment.** **A Permit to Leave only allows the student to leave class. To have the absence waived the student must bring in medical or legal documentation.** *****A PTL incurs an absence in the class from which the student leaves.*****

Remember you can leave a voicemail prior to the day of the absence to request a Permit to Leave or to report an absence. **Due to the high call volume, you may receive voicemail when you call the attendance office. Voicemail is checked consistently throughout the day. If you request a return call, attendance will do so at the first available opportunity.**

THE ATTENDANCE OFFICE IS CLOSED FROM 12:00pm-12:30pm EVERY DAY FOR LUNCH!

CHS is a closed campus during instruction hours for all students. Seniors & Juniors can leave during lunch. Sophomores & Freshman must have special permission from their VP to leave during lunch. A PTL is required for any student to leave campus any other time during the school day. We do not deliver PTL's off campus to any religious release buildings. If your student will be leaving while in any religious release class, please contact those programs directly. Just make sure to have your student check back in the office once they return to campus.

MISCELLANEOUS INFORMATION

Student Messages:

To avoid classroom interruptions please limit calls to emergencies only. Student messages will be accepted from PARENTS ONLY.

Delivery of flowers, balloons and other gifts for students are not accepted at school. Please make arrangements to have these items delivered to your home.

Guests

Students are not allowed to bring guests to school without the Administration's permission. This includes siblings, relatives, out-of-town guests, and alumni. All guests check in at the Main Office.

Centennial High Parking

Every CHS student who will be driving a vehicle to school is required to purchase a parking permit. This ensures that every vehicle on campus is legally parked, for safety and security reasons.

Student parking permits will be purchased through the CHS Bookkeeping office or online at myschoolfees.com. Each permit will be \$15 per school year. The permits can be purchased any time throughout the school year. The actual permits will not be available until after July 13th, in the bookkeeping office, during the summer break.

Parents and students can find the application on the **CHS website**, (under the Parents/Students tab, click on 2018-2019 registration information, scroll down to 2018-19 Parking Permit registration. Open the document and print.) The application must be filled out completely and payment made before a permit will be issued. Once school has started the application and receipt of payment will be brought to Mrs. Mortenson in the Security Office, in order for a student to receive their permit. Questions should be directed to Mrs. Mortenson at 855-4271 or mortenson.melynda@westada.org

ID Badges:

In an effort to increase student safety on campus, Centennial High School will continue procedures related to ID badges. As in years past, students will have the option of being issued a free ID card or purchasing a Student Activity card. **Badges must be with students at all times.** The ID will be used at the Administrative, Attendance, and security offices, the media center, lunch detention, cafeteria and admittance to class. If a student checks out of CHS they will be required to surrender the badge as part of the checkout process. Any replacement of a badge is \$5 which you pay to the bookkeeper and you pick up the new one in room #105.

Dress code:

Students will dress in a modest manner. Any apparel that draws undue attention or disrupts the learning environment is prohibited. The following is a partial list of apparel that is not within good grooming or safety standards for the educational environment:
(In General) Clothing that exposes: undergarments, upper thigh, back, posteriors/buttocks, midriff/abdomen, chest/cleavage. Shoulders must be covered.
Hats, headbands, hoods, bandanas, and other head coverings are not to be worn in the building during the school day. For more detailed information, please visit westada.org and refer to the student hand book.

MILITARY OPT OUT FORM

If you do not want your student's personal information to go to the military you must fill out a Military Opt-Out Form.

The form can be found in the student handbook.

MESSAGE FROM THE LIBRARY

Our hours of service are 7:15 – 3:15 p.m., Monday – Friday. Students have access to the full suite of Microsoft Office 2016, Adobe, and Internet resources such as the library research databases and online catalog. Students can access the catalog and databases from home by clicking on “Parents and Students” then “Library” on

the **CHS website**, logging in through the Overdrive app. The library also has over 20,000 print resources for checkout, as well as e-books and e-audio books available for use on personal devices. Call Librarian Gena Marker at extension 1045 with questions.

INTERNET POLICY

Each CHS student will be assigned a network login with access to district approved software. **Unless a parent has signed an “Internet Opt-Out” form, each student will be given access to the Internet.**

The Internet is a unique and valuable tool that supports the education of students in the West Ada District. In many cases most library research resources, such as databases of magazines, journals, newspaper articles, as well as the catalog are only available through Internet access. The Internet also provides access information and media resources, simulations and other online education activities. Its proper use can open new opportunities for research, learning and communication.

With those opportunities come responsibility. The student and his/her parent(s) should read and discuss the district policies. While the West

Ada District will make every possible effort to limit improper use and to use proxy software to shield users from access to inappropriate materials, it is not possible to absolutely prevent such access. A student who gains access to inappropriate material is expected to discontinue the access as quickly as possible and to report the incident to a teacher.

All Network/Internet users are expected to use all network resources for purposes appropriate to the educational environment at all times. Users must refrain from any use that is not consistent with policies, purposes, or objective of the West Ada District.

If you do not want your student to have access to the internet through his/her network login, please ask for an Internet OPT-Out Request in the Counseling Office or the Media Center.

DRIVER'S EDUCATION

Driver Education classes are held at Centennial High School (4) four times a year. The courses last approximately 8 weeks depending on the timeline for the quarter. Classes are held after school, typically from 3:00– 5:30 p.m., with some driving done later in the day and on Saturdays, depending on the availability of instructors.

Students must be a least 14 1/2 years old in order to register for the program. Students are selected for each session based upon their age, availability of instructors and by meeting the registration deadline. Upon the completion of the program each student is required by the State of Idaho to drive with parental supervision for a minimum of (6) six months and (50) fifty hours.

To successfully complete the program, students must pass all sections of the class. Failure to pass sections of the program will result in an overall failing grade. If this should happen, the student must

reregister and take the class again. All regular school rules and regulations will be enforced.

Applications are available on the district webpage at www.westada.org under the parents and students tab. If not accepted into a session, students must reapply for the next session until they are accepted into a class.

7th GRADE IMMUNIZATION REQUIREMENTS

Immunization Requirement by Grade5	Doses of Vaccines Required
Children admitted to 7 th grade must meet the following minimum immunization requirements in addition to school entry requirements:	(1) Tetanus, Diphtheria, Pertussis (Tdap) (1) Meningococcal

1. Preschool children need only be age-appropriately immunized with the required vaccines.
2. DTaP: The 5th dose is not necessary if the 4th dose was administered at age 4 years or older.
3. Polio: The 4th dose is not necessary if the 3rd dose was administered at age 4 years or older and at least 6 months after previous dose. For children born after 9/1/2005, at least one dose of polio should be given at age 4 years or older.
4. Varicella: History of chickenpox disease documented by a physician or licensed health care professional meets the requirement.
5. 7th Grade Requirements: These requirements currently apply to all 7th, 12th grade students.

EXEMPTIONS Idaho law allows a parent/guardian to claim an exemption from immunization requirements for their child for medical, religious, or personal reasons. All exemptions must be documented on the official State of Idaho form provided by the Idaho Department of Health and Welfare, Immunization Program. A medical exemption requires the signature of a licensed physician and certification that the child has a medical condition which prevents him or her from receiving required vaccinations. The law does not allow parents/guardians to claim an exemption because the shot record is lost or incomplete, or because it is too much trouble to contact the physician or clinic and obtain a copy. Schools should maintain an up-to-date list of pupils with exemptions so they can be excluded quickly if an outbreak occurs.
