We want to thank you for your donations to help the people of Ukraine.

Every pack of diapers, every can of formula, every item on the list will directly impact a person in need.

My prayer is that God would speak to you on how you can help make a difference.

We need volunteers!! Can you give a little time and donate some of your talents?

We also are sending \$ directly to families in need that are still in Ukraine and trying to flee.

We are in touch with many who are trying to set up shelter and restart in neighboring countries & you can be a part in directly helping them!

Please call Mary at (530) 227-1244 Email at Risitt@aol.com
