If you would like to use your own vet clinic, you must advise Kannata Valley Kats as soon as possible. If you use Earl Grey Vet, you will not be charged anything for the spay/neuter aside from your adoption fee. Optional additional care can be approved via vet clinic at your expense. If you choose to use your own veterinarian, Kannata Valley Kats will reimburse you \$75 for a neuter or \$100 for a spay with proof of procedure. Please let us know right away so we can cancel your appointment.

Microchip Transfer of Ownership- In your starter tote you will receive your animal's health report card. Inside of that folder is valuable information about your new pet, including vaccination dates, deworming dates, and check up information. Inside the sleeve is your pet's microchip tag and number. You must visit the website eidap.com and register your information. This will be invaluable if your pet is ever lost!
