O.L.A.S.C. POLICY

“SERVICE PRAYER”

"God, grant us knowledge that we may work according to your divine precepts. Instill in use a sense of your purpose. Make us servants of your will and grant us a bond of selflessness, that this may truly be your work, not ours, in order that no addict anywhere need die from the horrors of addiction."

"Everything that occurs in the course of N.A. service must be motivated by the desire to more successfully carry the message of recovery to the addict who still suffers. It was for this reason that we began this work. We must always remember that as individual members, groups and service committees, we are not and should never be in competition with each other. We work separately and together to help the newcomer and for our common good. We have learned painfully that internal strife cripples our fellowship and prevents us from providing the services necessary for growth."

O.L.A.S.C. POLICY

THE TWELVE STEPS OF NARCOTICS ANONYMOUS

1. We admitted that we were powerless over our addiction, that our lives had become unmanageable.
2. We came to believe that a Power greater than ourselves could restore us to sanity.
3. We made a decision to turn our will and our lives over to the care of God *as we understood Him*.
4. We made a searching and fearless moral inventory of ourselves.
5. We admitted to God, to ourselves, and to another human being the exact nature of our wrongs.
6. We were entirely ready to have God remove all these defects of character.
7. We humbly asked Him to remove our shortcomings.
8. We made a list of all persons we had harmed, and became willing to make amends to them all.
9. We made direct amends to such people wherever possible, except when to do so would injure them or others.
10. We continued to take personal inventory and when we were wrong promptly admitted it.
11. We sought through prayer and meditation to improve our conscious contact with God *as we understood Him*, praying only for knowledge of His will for us and the power to carry that out.
12. Having had a spiritual awakening as a result of these steps, we tried to carry this message to addicts, and to practice these principles in all our affairs.

O.L.A.S.C. POLICY

THE TWELVE TRADITIONS OF NARCOTICS ANONYMOUS

1. Our common welfare should come first; personal recovery depends on N.A. unity.
2. For our group purpose there is but one ultimate authority -- a loving God as He may express himself in our group conscience. Our leaders are but trusted servants, they do not govern.
3. The only requirement for membership is a desire to stop using.
4. Each group should be autonomous except in matters affecting other groups or N.A. as a whole.
5. Each group has but one primary purpose -- to carry the message to the addict who still suffers.
6. An N.A. group ought never endorse, finance, or lend the N.A. name to any related facility or outside enterprise, lest problems of money, property or prestige divert us from our primary purpose.
7. Every N.A. group ought to be fully self-supporting, declining outside contributions.
8. Narcotics Anonymous should remain forever nonprofessional, but our service centers may employ special workers.
9. N.A. as such, ought never be organized, but we may create service boards or committees directly responsible to those they serve.
10. Narcotics Anonymous has no opinion on outside issues; hence the N.A. name ought never be drawn into public controversy.
11. Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, and films.
12. Anonymity is the spiritual foundation of all our traditions, ever reminding us to place principles before personalities.

O.L.A.S.C. POLICY

12 CONCEPTS FOR NA SERVICE

1. To fulfill our fellowship's primary purpose, the NA groups have joined together to create a service structure which develops, coordinates and maintains services on behalf of NA as a whole.
2. The final responsibility and authority for NA services rests with the NA groups.
3. The NA groups delegate to the service structure the authority necessary to fulfill the responsibilities assigned to it.
4. Effective leadership is highly valued in Narcotics Anonymous. Leadership qualities should be carefully considered when selecting trusted servants.
5. For each responsibility assigned to the service structure, a single point of decision and accountability should be defined.
6. Group conscience is the spiritual means by which we invite a loving God to influence our decisions.
7. All members of a service body bear substantial responsibility for that body's decisions and should be allowed to fully participate in its decision-making processes.
8. Our service structure depends on the integrity and effectiveness of our communications.
9. All elements of our service structure have the responsibility to carefully consider all viewpoints in their decision-making processes.
10. Any member of a service can petition that body for the redress of a personal grievance, without fear of reprisal.
11. NA funds are to be used to further our primary purpose, and must be managed responsibly.
12. In keeping with the spiritual nature of Narcotics Anonymous, our service structure should always be one of service, never of government.

O.L.A.S.C. POLICY

SECTION I

DEFINITION AND PURPOSE OF AN ASC

- ARTICLE 1: An Area Service Committee (ASC) is a committee made up of Group Service Representatives (GSRs), from groups within a designated area, which meets monthly for the sole purpose of serving the specific needs of its member's groups.
- ARTICLE 2: The most important service which an ASC provides is that of its group's support. Whenever a group has a specific situation or need which it has not been able to handle on its own, it can come to its Area Service Committee for help. These situations are almost limitless in scope; however, we have learned that we can get much accomplished when we work together.
- ARTICLE 3: An ASC performs other functions which are helpful to the groups. It can help groups get started or give aid to floundering groups. It may hold workshops or seminars to train trusted servants. It can look for potential places to store a stock of literature which the groups can purchase. The point is that an ASC handles whatever functions are necessary or helpful to its groups.
- ARTICLE 4: In order to provide these services, an ASC needs the active participation of its GSRs. A group supports its Area Service Committee both financially and emotionally. It takes money to provide these services. It is a group's responsibility to offer this support. However, as an area grows, the financial needs of the committee also grow. In order to provide a full line of service, it requires a steady, reliable flow of money. Some areas provide these funds through activities. These alternate choices of financial support are helpful but the bulk of the responsibility still falls on the members of the group.
- ARTICLE 5: The active participation of each group representative is essential for a successful ASC. Each GSR must keep their own group informed and must represent that group conscience in all committee decisions. GSRs should evaluate each vote in terms of the needs of those they serve, and the needs of NA as a whole in the area they serve. In addition to this, a GSR participates in helping to carry out the ASC's other specific functions. The attracting of new members, the planning and implementation of activities and the aid given to groups with specific situations are services which require much more than a monthly meeting.
- ARTICLE 6: In order to coordinate its services, each ASC elects officers yearly. Leadership and the ability to organize give the committee direction.... incentive must come from its officers.

O.L.A.S.C. POLICY

SECTION V

GUIDELINES FOR A GROUP CONSCIENCE

ARTICLE 1: The importance of a group conscience cannot be stressed enough. It is the route that God's will is delivered to us and the tool that allows us to be delivered from bondage of self. The principle of autonomy, except where it would affect other groups or N.A. as a whole, is the guiding principle regarding who should be involved in a group conscience.

ARTICLE 2:

- A. Issues impacting N.A. meetings should not be voted on without the GSRs taking the issue back to their homegroups for a group conscience.
- B. Issues affecting the functioning of subcommittees should not be voted on until that subcommittee has taken a group conscience and represented it to O.L.A.S.C.
- C. Issues that affect only the O.L.A.S.C. should be voted on at the area level only.
- D. If a motion is to be carried back to homegroups, GSRs will vote on whether this is done at the time the motion is presented.

- C. Discussion of an issue can take place in the following manner:

Discussion on the issue is tabled until that input is received. If GSRs require further clarification to the motion they may ask questions at this time, but this is not the time for a lengthy discussion of pros and cons.
 2. If only the O.L.A.S.C. is affected or after sufficient input has been gathered from those who are affected, discussion occurs. This usually takes the form of pros and cons. Discussion shall have a time limit of 5 minutes per motion not to exceed 1 min per person but at no point should discussion be limited to less than two pros and two cons. At this stage, voting members may take several actions (5/2007)
 - a. They can discuss the motion as it stands.
 - b. They can amend the motion. If a motion is made and seconded to amend a motion the amendment is discussed and voted upon, prior to resuming discussion of the main motion.
 - c. A motion can be tabled to a later time. Any member of the body can make the motion to table, second must come from GSR. If a motion is made and seconded to table a motion, the tabling motion must be discussed and voted upon. If the tabling motion passes, discussion or action on the main motion will be postponed to the next ASC unless otherwise designated. A motion may only be tabled once (at the discretion of the Chair). If the tabling motion is defeated, discussion and action on the main motion will continue. (5/2007)
 - d. A participant may "call for the question" or "call for the vote" at which time discussion stops and a vote on the motion takes place.
 - e. The vote is taken.
 1. GSRs are the only voting members at ASC.
 2. A majority is 2/3 of voting members present. Those abstaining on a vote will not be considered in determining majority.
 3. Two abstentions on a question reopen debate. (5/2007)
 4. If the majority of voting members present decide to deal with an issue at that meeting it will be voted on then.
 - A. If guidelines are affected, the approved motion will be returned to the policy committee in order for them to propose the exact wording to be inserted into the guidelines. The proposal will be voted upon at the next ASC.
