Resolution strategy, giving priority to prevention with a much broader scheme, since it not only involves the process judicial. Based on the above, civil and commercial litigation will be the last instance. Giving priority to the following services:

CRIMINAL MATTERS

Criminal Litigation and Counseling on Crime Prevention.

In this area we attend to matters related mainly to the business area, with the support of professional researchers and experts specialized in various sciences. Therefore, we have extensive experience in combating property crimes, as well as defending those related to environmental matters and when companies are affected by criminal extortionists.

CORPORATE LAW

Our firm offers excellent services in this area to a large number of Mexican and foreign clients. We provide support to our clients in their daily corporate needs, such as large and complex operations in Mexico.

At Aragon Escobedo corporate Legal Fiscal Accounting, we are also dedicated to the preparation, negotiation of national and international contracts and civil and commercial agreements, including the sale of businesses and companies, mergers, acquisitions or joint ventures in various branches of industry and the trade with professionals who participate in advising the tax side of these operations.

IMPORT EXPORT

Advice and consultancy in customs and foreign trade matters.

Audit (visits and reviews of cabinets on foreign trade).

PAMA (Administrative Procedure in Customs Matters)

Connecticut 4924 Residencial Campestre, Oficina (614)335-5208

Cel. (614)141-14-86 (614)208-2791

TAX DEFENSE

Offer the product to the client contemplating a shared service between corporate law, updated to be reviewed by administrative and judicial authorities

LABOR MATTER, LABOR AUDIT

Over the years, the Corporate Legal has been successfully inclined to advise companies in a legal framework where prevention is the best ally. This occurs precisely from good communication with our clients, where we rely on labor audits and in due course with the new ideas that are proposed for each case.
