LITANY

Moving Forward in Faith

LEADER: God, we confess in our fear of the unknown often we prefer to go backward to feel safe.

ALL: God, in your Grace, forgive our lack of faith in your promise to be always with us wherever we are and wherever we go.

LEADER: Jesus, amid our confusion during these past months, too often we chose to revert to what is familiar to us in order not to face the future.

ALL: Lord Jesus, in your mercy, open our eyes to the endless possibilities that time of confusion has brought to us.

LEADER: Holy Spirit, we ask for your forgiveness for the time we have failed to seize new possibilities to partner with you in ministries

ALL: Triune God, continue to nudge us to accept the challenges that come with new ministry opportunities knowing that you are leading us and will equip us.

LEADER: God of the past, of the present and of the future, we trust you to make all things new in your time.

ALL: Holy Spirit, breathe on us and propel us to move forward in faith to act with justice and walk humbly with you until such time.

All: AMEN

This Litany was written for the 2020 Florida Conference United Methodist Women Spiritual Enrichment Retreat by Deaconess Dr. Judith Pierre-Okerson.

OUR PURPOSE: *We shall be a community of women whose purpose is to know God, and to experience freedom as whole persons through Jesus Christ; to develop a creative, supportive fellowship and to expand concepts of mission through participation in the global ministries of the Church.*
