

# Florida Advocacy Days

The Florida Advocacy Days Coalition works to lift the voices of children and families in the legislative process with focus on food insecurity, nutritional need and access to housing. Join us for three powerful days of advocacy during Children's Week!

## March 26: Worship Service (2pm)

A service for us to sing and pray for the needs of the children in our state at Saint Paul's United Methodist Church in Tallahassee. Everyone is welcome!

## March 27: Virtual Presentation and Training (10am)

Join from anywhere in Florida! We will learn about the bills we are joining voices for, a little history about our advocacy work and our call to action.

## March 28: March to the Capitol Building (8:45am)

Starting at Trinity UMC, we will be walking to the Capitol hoping to meet with legislators, sit in on committee meetings and experience Storybook Village.
