From President Kay Roach

Greetings Sisters in Christ:

If God had a refrigerator, Your picture would be on it.
If he had a wallet, Your picture would be in it.
He sends you flowers every Spring and a sunrise every morning.

Face it, friend, HE is crazy about you! Max Lucado

So, the first half of this wonderful year with all of you has passed so quickly. Even more so, the last four years serving as your Conference President has been an honor and I am so appreciative for the support and encouragement you have shown to me. Visiting your local units and district events has been a pleasure and I have certainly made many wonderful friends and caring sisters in Christ. As I've said before, United Methodist Women sisters are the best prayer warriors. I am blessed!

If you were not at Mission u recently, you certainly missed a great learning opportunity about our mission studies and a great time of fellowship. Of course our 150th Birthday Bash was a huge success as well. Look for photos in this issue!

Summer is also flying by and I hope you are looking forward to attending our upcoming annual Spiritual Growth Retreat, September 6-8 at the Life Enrichment Center, Fruitland Park (Leesburg). Then in October, you will be busy preparing for your district annual meetings. Lastly, our Conference Annual Meeting, November 9 at First United Methodist Church, Lakeland. At that time, some current officers will be ending their service on the leadership team and the voting of new officers will take place and be installed. We have been celebrating our 150th Birthday celebration all year and a special treat of our former Florida Conference Presidents will be attending and taking part in the annual meeting as we share our heritage. Come and help us continue to celebrate our rich history. I hope you will make plans to join us.

Today in church Pastor said this: If you can trust a puzzle company to make sure every piece is in the box to complete the puzzle, then why can't you trust GOD that every piece of your life is there for a reason.

We are ALL here to assist you in any way we can to make Faith, Hope and Love in Action happen!

Blessings,
Kay Roach

Mission u 2019: Facts, Figures, Fun, and Photos

We had a wonderful time throughout the 3-1/2 days at Mission u as we gathered for morning worship, attended classes, focus groups, fellowships, and other opportunities for learning and spiritual growth at Florida Southern College in Lakeland, July 11-14, 2019.

Attendance: A total of 344 persons attended Mission u this year: 257 adults, 22 high school youth, 55 children and middle schoolers, and 10 children under 5 years of age. There were 66+ first-timers and 10 males. The South East District had the most attendees with 104 adults, children, and youth; the Gulf Central District was second at 72 attendees. There were 30 commuters; the rest of the attendees lived on campus in the residence halls.

Classes: We offered two amazing new studies at this year's Mission u—*Practicing Resurrection: The Gospel of Mark and Radical Discipleship*, and *Women United for Change: 150 Years in Mission*. These studies were coupled with our second year study—*What About Our Money: A Faith Response*. The children and youth studied the gospel of Mark with age-appropriate study books.

Adult classes were offered in four languages: in addition to English, there were 2 classes in Haitian Creole; 1 class in Korean, and 1 class in Spanish. Did you know that the Florida Conference is the only United Methodist Women Annual Conference in the United that offers classes in this many languages and age groups?

Service and gifts: Every year Mission u partners with one of the two United Methodist Women National Mission Institutions located in Florida. This year we worked with Cornerstone Family Ministries in Tampa. Executive Director Cathy Stone held a Focus Group about Cornerstone's ministries. Prior to Mission u, registrants were asked to donate healthy and nutritious snacks and slightly used books for two special projects for the children served by Cornerstone.

(See Cathy's "Thank You!" note and 9 year old Landon Davidson's article for a personal account in this issue.)

Events: On **Friday, July 12**, we experienced the spiritual joy of an **anointing service**. This was followed by the **Lights for Liberty Vigil** on the Florida Southern campus in support of the children and youth held in the Homestead Detention Center in South Florida and in other such facilities throughout the United States.

And on Saturday evening women, children and youth together celebrated the **150th Anniversary of United Methodist Women** with a fabulous **Birthday Bash** in the Branscomb Auditorium at Florida Southern. We celebrated with balloons, dancing in the aisles, and a talent show extraordinaire by our children and youth. We also raised \$1,606.25 from our annual Mission Giving offering at this event. Many thanks to Assistant Dean Donna Spear and her team for orchestrating this fun event.

We ended Mission u Sunday morning with a **worship and communion service** led by Florida Conference President Kay Roach and Communion Celebrant Rev. Dr. Sharon Austin, Director of Connectional and Justice Ministries for the Florida Conference.

United Methodist Women is a community of WOMEN WITH A PURPOSE. We educate and equip members for mission in times such as these—turning faith, hope and love into action on behalf of women, children and youth around the world!

I hope you enjoy the photos here and on the Florida Conference UMW website—and be sure to come to Mission u next year.

It has been an honor to serve as your dean this year. Blessings and love,

Sharyn Ladner

My First Mission u

By: Landon Davidson

First Time Attendee, 2019

Teacher: Jibriah White

My first Mission u trip was fun. We drove from Clewiston to Lakeland and it took us 2-1/2 hours to get there.

When we first got there, I helped my Nana get her Program Resources room ready. Then she had a meeting. Then later in the day, she had another meeting. We went to eat dinner and then got to see where our dorm rooms were going to be. I had a very tall bed.

The next day, I had to go to a meeting where I got to meet my teacher and all the other kid's teachers, they told me where my class would be and to remember, "Safety First." Then we went to lunch and after that, worship time and then my first class.

We walked a lot and took lots of stairs! When I went to class, I made friends with Mary and Samuel. We walked everywhere together. They were very

nice! We did different crafts, watched a few movies and I went on my first scavenger hunt. That was a lot of fun. One class activity we did was we chose a person to be the "blind" person and we had to help them walk around and protect and guide them so they wouldn't get hurt.

Another thing I got to do was help with putting books together and count all the big books for Cornerstone Ministries. These books were donated by other people so other kids could have them to read. I counted 177 books. It was a lot of fun!

On Saturday night, we got to help with the birthday bash. We sang and danced, and I got to throw beach balls to everyone. Then we got to eat cupcakes!

I had a really fun time and I hope I will get to go again next year!

Landon

From Cornerstone's Cathy Stone...

Thank you! This is the best Mission u I have ever attended-you and your team did a fabulous job.

Please extend our sincere thanks tomorrow to all our UMW sisters and the wonderful children and youth who packed weekend care packages and literacy outreach book bundles this week. Because of their generosity...

- **200 complete weekend care packages AND 200 partial packages** will be completed and distributed! 1/2 of the completed packages will be given to the children at the Rosa Valdez Center and 1/2 to the Mulberry Unit who has adopted two of our centers will deliver care packages to them.
- **1,350 Books** were collected and packaged! These will be distributed on July 30th to the 160+ childcare centers under Cornerstone's sponsorship in Hillsborough, Pinellas, Polk, Pasco and Manatee Counties.
- **\$1,338.72 in cash, checks and gift-cards** were collected and will be used to purchase needed items for the children at the Rosa Valdez Center like diapers and wipes.

We can not thank you enough for including us as this year's highlighted National Mission Institution and for the many ways Units around the State join us in mission throughout the year.

Please remind the ladies that we'd love to host them in Tampa for a visit to Cornerstone or provide a program for one of their unit meetings at their location.

In His Service and Love,
Cathy

From Secretary of Program Resources...

Greetings, UMW Sisters!

Mission u has come and gone, and I believe it was the best one to date! Attendance was up as was the number of first-time attendees! We did things a little different for this year's Mission u and that was pre-ordering the mission study books. That was a huge success and made a huge difference on having to transport so many books to and from the event. I did order some additional copies and sold all but five Spanish study books. Hats off to each of you who pre-ordered and made purchases on site!

was also launched and proved to be a success! I started off the event with almost two large tables filled with mission study AND reading program books. Ladies not only donated these books but at the end of the event, I only had 10 books to carry home! Donations were also made for those picking up a book and that money will go directly towards Mission Giving. Another "win-win"! This Mobile Library will follow me at each Conference event, so if you missed

The Conference's first ever Mobile Library

out at donating books OR picking up a book(s) not to worry...the

library will be available at the Retreat in September!

As for our Conference website, it continues to thrive and just in the last 30 days, we have had 1117-page views, 185 file downloads and one person contacted me with a question via the site email. Pretty good for 30 days! You can visit us at: www.flconfumw.org. Please check out the site in the coming days as pictures and articles from Mission u will be posted. Information regarding the Spiritual Enrichment Retreat will also be available.

Happy Reading!

From Treasurer...

As we celebrate our 150 years in Mission, let's remember those women who were our role models inspiring us to serve and continue to be in mission to women, youth and children today. You can give a Gift in Memory in their memory. These gifts are one of the ways to be a Five Star Unit or Rainbow Giver. It also helps your district and conference make our financial goal for 2019.
