Random Thoughts

"Keep alert, stand firm in your faith, be courageous, be strong. Let all that you do be done in love."

1 Corinthians 16:13-14

Where is your loyalty? Family? Church? School? Political Party? Sports Team? Favorite Charity? United Women in Faith?

No matter where our earthly loyalty lies, our primary loyalty lies with Jesus Christ. I sincerely hope that all you do is based on this. As it says in **Matthew 6:21**: *"For where your treasure is, there your heart will be also."*

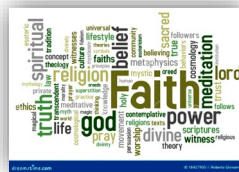

These are really trying times for most of the world. It's easy to hide and pretend that all is well, and while those of us reading this probably don't have the power or means to change government policies, we can try to live out the words of the song *"Let there be peace on earth, and let it begin with me."*

We can spend time with those who are lonely, be kind to those who disagree with us, and generous to those in need.

I hope that many of you will be able to join our **Racial Justice Zoom event on Oct. 21**. **Nicole Leon** will speak about immigration issues. Look for the **flyer** and **registration information on page 5**.

I also hope to see many of you at our **Conference Annual Meeting on Saturday, November 8th**. Our planning team is especially excited to welcome **Sally Vonner**, the CEO and General Secretary of United Women in Faith. **Bishop Berlin** will be joining us for the morning session. The flyer and information are located on the cover of this newsletter. Feel free to share it with your members as the women of **First Plant City United Methodist Church Unit** are excited to host us and provide refreshments as you arrive!

Committee on Nominations

This has been a productive year. As I look back and reflect on the past months, I am reminded of the many individuals who willingly stepped forward and said, “Count Me In.” Their readiness to accept unknown challenges continues to serve as a reminder of what the Lord asks of us: to act justly, to love mercy, and to walk humbly with God.

The Committee on Nominations truly embodies these principles. Serving on this committee has been both challenging and exciting, offering the unique opportunity to connect with women from across the conference. Throughout this process, I have made new friends, engaged in meaningful conversations, and welcomed many as leaders of United Women in Faith. Despite the difficulties posed by disaffiliation and the realignment of districts, which have significantly changed the structure of our organization, the committee and I are proud to share that we have successfully filled all officer positions for the 2026-2028 term. Together, we have overcome these challenges and ensured strong leadership for the future.

The Committee on Nominations will continue to build up a talent bank of potential leaders. We have a full slate of nominees who will be presented for election on November 8, 2025, at First Church Plant City, Florida.

Mission u 2026: Experiencing Emmanuel

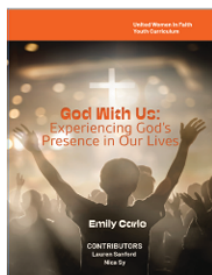

Join us at **Mission u** as we explore the theme, Experiencing Emmanuel. Mission u participants will study the times in the Bible when people experienced Emmanuel, or “God with us.” How do we discern God’s presence and call on our lives in times of joy *and* in times of sadness, fear, or anxiety? What can we learn from these Emmanuel encounters in the Bible to help inform our discernment to faith, hope, and love in action?

Mission u 2026 offers three exciting curricula on this theme. Order your copy at: uwfaithresources.org

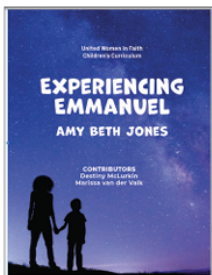

Adult Curriculum: *A Deep Knowing: Experiencing Emmanuel Through Every Part of Our Lives*

This curriculum is designed to help participants take a step back and a closer look at the various ways we see Emmanuel within and around biblical stories. What can it look like to walk with God as people who face adversity, issues of justice, and a heritage of relational and spiritual connections? This curriculum encourages participants to seek out and name the experiences of Emmanuel from biblical times to our present day as we look toward our future in faith.

Youth Curriculum: *God With Us: Experiencing God's Presence in Our Lives*

This curriculum invites youth to wonder about where and how God is present in their lives and what that means. *God With Us* breaks down Biblical characters and stories to explore how God is present in extraordinary and ordinary lives. Throughout, youth will explore how they can encounter God in suffering and tough times, as well as in resistance and our spiritual lineage. By the end, youth will be affirmed and learn the importance of being their authentic, God-created selves.

Children's Curriculum: *Experiencing Emmanuel*

The *Experiencing Emmanuel* children's curriculum helps children give voice to the sacred. Faith is a lifelong journey of seeking and naming the presence of God in our lives. Scripture shows us how God's people came to know God and each other—and how those stories shaped their identity. As we interpret these stories, our sense of self and community is formed. This curriculum invites children into that journey and offers a path for children and their mentors to explore faith together, building vocabulary, confidence, and a deeper awareness of God's presence in their lives.

Together we are Building Our Legacy!

Suggestions for Promoting The Legacy Endowment Fund and Engaging Every Member

**Please share this idea sheet with your entire Mission Team and ask that they help pass it along to their Districts and Local Units!*

At Annual Meetings:

- Ask for podium time during meeting to give a Legacy report (or screen time if a virtual meeting)
 - Make report uplifting and lively. You may want to ask other members of your Legacy Team to report with you.
 - Give the updated amount donated to Legacy by your conference since inception and celebrate. Then give total given by your conference in 2025 – celebrate how close you are to making your 2025 giving goal and encourage gifts to make or surpass your goal.
 - Give total of Endowment and celebrate how close we are to the goal of \$60 mill.
 - Promote the three giving categories (focus mostly on planned gifts this year)
 - *Legacy Builders* monthly giving.
 - *Friends of Legacy* major gift pledges
 - *1869 Society* planned gifts (mention planned giving pages on United Women in Faith website)
 - You may want to ask members to stand who give in each of the above categories so that they can be recognized and thanked.
 - Ask if you can hold an Estate Planning Workshop as part of Annual Meeting (can present yourself with PowerPoint slides provided by National Office, National Office staff could Zoom in to present it, or staff may be able to visit your conference to give workshop in person)
 - Mention that there will be a Legacy Banquet at Assembly next year and that there will be Legacy Awards given to the conference that holds the most Estate Planning Workshops, Closes the most Planned Gifts with LOI, and most Legacy Builders.
 - Have a time when you ask for donations to The Legacy Endowment Fund (use attached slide with QR code and text-to-give information)
 - If you have not done so yet, play the Giving Jeopardy game as a group (PowerPoint version available upon request)
 - Invite a National Office Development Staff member to visit your meeting and speak.
 - Refer to a Legacy Response article and pass out copies
 - Ask a respected member to give a short testimony on why she gives to The Legacy Endowment Fund or show optional donor video
 - If your conference has an E & I Coordinator, consider reporting together so that she can promote the importance of Mission Giving as well.
