Online World

A New Way of Seeing Things..

WE ARE LIVING DIFFERENTLY

During this pandemic, we get to be creatively online and live life a little differently than we were before. In honor of this shift, I am consciously choosing to show up more online and create more offerings there. What a beautiful time to dive a bit deeper into self, however that manifests itself for you.

I released a New Custom Spread to help us navigate the chaos in our internal and external world at this time.

It's called: The Spiral.

Available for purchase >>> [HERE](#).

EVERYTHING WAS DEAD AS WE ONCE KNEW IT, BUT IT CAME BACK TO LIFE- EVEN BETTER!

They died and came back to life!

DEATH + REBIRTH OF TAROT EVENTS

Is this really happening?! ALL of my upcoming Tarot Events slowly but surely died off, one by one. It is in fact really happening. Instead of fighting it, I am embracing the change and opportunity to be reborn.

Perhaps this is a blessing! I have actively been focusing on building community, booking local events, and in person readings- so now I get to focus more on my online business.

When this #coronavirus has died down, I trust that my business will then be stronger than ever. Booming with both in-person and online bookings.

There are a few ways that my tarot events will be reborn, but one of the ways that I am focusing on now is providing service to you via the internet.

Right now you can purchase audio recordings, virtual tarot reading sessions, monthly reading memberships, and custom spreads. More detailed information can be found on the website below.

For the remainder of this month and possibly longer, I will have Tarot Tuesday's both on my Instagram Story and LIVE Readings on my FB Business Page @Serena Rose.

There will be a number of collaborative online events upon which I am the Tarot Reader.

TAROT FOR ZODIAC SIGNS

I don't live my life by my horoscope or subscribe to astrology being the end all be all, but I will say that astrology and the understanding of the star's alignment has changed my life.

Tarot is a channel upon which to communicate with Divine Spirit and receive messages. This can easily be done for individuals or the collective consciousness, so it can also be done with any other directive. Including, Zodiac Signs.

Each month we go through multiple phases and shifts astrologically all the while being subtly influenced by the cycles we are presently a part of.

I am now offering FREE Monthly Zodiac Readings on [Youtube](#) and [Tiktok](#).

If you wish to get *really* personal, please answer this ad.

Looking for individuals who are ready to embrace the cycles of life and their internal and external systems on a deeper level. Custom Zodiac + Moon Readings for sale, if interested. Serious Inquiries Only. [That's Me!](#)

THERE ARE 12 ZODIAC SIGNS EACH PERTAINING TO WHEN YOU WERE BORN

FREE MONTHLY ZODIAC READINGS NOW AVAILABLE

PLEASE NOTE THIS IS A MINOR INCREASE THAT WILL CONTINUE TO BE MONITORED.

Post Corona Plans

WHAT IS YOUR PLAN, WOMAN?

I certainly wasn't prepared for what is.. not sure if any of us were really. While we can plan for things and have goals- it is also just as much out of our control. That is the dichotomy of life.

As for right now, my focus is on the online world. I am excited to build my online community more than it already is and I am honored that YOU are a part of it. Thank you!

I have so many fun plans moving forward but what is most exciting and relevant is the production of my Tarot Course. Here we will focus on Reading, Feeling, and Connecting with your Cards. This is a self-applicable online course that you will have forever once purchased.

Called: The Other Side of Reading Cards.

You can easily go buy a Tarot Basics Book and learn Tarot 101, but in this course you will learn how to deepen your connection as a reader and receive more clearly. The energy, spirituality, and symbolism is such a big part of reading.

Updates and Release date, pending. Pre-registration will be available in the next newsletter!

I am so grateful for this time to focus on online projects such as this one, and to get back into the community in person when the time is right.

ECONOMIC UPRISE

There's been an increase!

TAROT PRICES GO UP

I listen to the feedback I receive and it has been brought to my attention for quite some time that my prices need to go up.

I wasn't ready. Not because I question my worth or quality of service, but because I wanted to share this craft with as many people as possible. Including those who maybe haven't experienced before and had questions. I successfully accomplished that goal and continue to share with others.

Making the career jump to Spiritual Life Coach and Tarot Reader has been an adventure, I am so honored to be here in service as the journey continues.
