Date: January 31, 2026

Octo Capital, LLC (or the "Firm") has adopted a Business Continuity Plan ("BCP") pursuant to the Investment Advisers Act of 1940, as amended (the "Advisers Act") and the rules and guidance (the "Rules") of the United States Securities and Exchange Commission ("SEC") and/or the laws of the states where the Octo Capital, LLC is registered as a Registered Investment Adviser. The purpose of the BCP is to define the strategies and plans that the Firm will use during a significant business disruption ("SBD"). The BCP is prepared to address both internal SBDs, such as a fire in the Firm's building, and external SBDs, such as a natural disaster, terrorist attack, or citywide power disruption.

### **Our Business Continuity Plan**

In the event of an SBD, Octo Capital, LLC will safeguard employee lives and the Firm's property. Octo Capital, LLC will work to re-establish the systems necessary to recover and resume operations quickly, protect the Firm's books and records, and allow Octo Capital's customers to transact business to the extent reasonable and practical under the circumstances. Octo Capital's BCP addresses alternate office locations, customer access to funds and securities, financial and operational assessments, data backup and recovery, critical systems, and alternative communications with customers, employees, regulators, and critical business constituents.

## **Varying Disruptions**

SBDs can vary in scope, ranging from our Firm alone to a single building housing our Firm, the business district where Octo Capital is located, the city where we are located, or the entire region. Within each of these areas, the severity of the disruption can also vary from minimal to severe. In the event of a disruption affecting only our firm or a building housing Octo Capital's operations, the Firm intends to transfer its operations to a local site as needed and expects to recover and resume business within a short period. In the event of a disruption affecting Octo Capital's business district, city, or region, the Firm intends to transfer our operations to a site outside the affected area and recover and resume business within a short period. In either situation, the Firm plans to continue in business. However, Octo Capital's ability to operate fully depends on external sources that may be beyond the Firm's control, including the availability of electricity, telephones, Internet, transportation, and the functioning of institutions and markets worldwide. Nothing in Octo Capital's BCP or this disclosure statement is intended to provide a guarantee or warranty regarding the actions or performance of Octo Capital, LLC.

## **Loss of Key Personnel**

Octo Capital, LLC is operated as an LLC with Daniel B. Shub serving as the Managing Member and Chief Compliance Officer. As the sole employee, the firm's operations depend entirely on his capabilities. In the event of Mr. Shub's disability, steps will be taken to determine if the business will continue and, if so, in what capacity. In the event of his death, his designated beneficiary will notify clients of their available options. Please note that clients may access their Schwab accounts directly at any time without assistance from Octo Capital or Daniel B. Shub by contacting Schwab Advisor Services at 800-515-2157.
