Therapy Contract

This contract outlines some practical information pertaining to appointments and fees. Sessions last 50-60 minutes, unless special arrangements are made for a different length of time. Please try to give at least 24-hours for cancellations that can be anticipated.

The fee is \$200 per session or \$225 for families/couples. Payment is due in full at each session, or by other agreement.

Should someone not pay their therapy bills in a timely fashion, reasonable efforts will be made to resolve the issue. However, if it appears that unpaid balances are accumulating, Dr. Balenger will help the client transition to a counseling/therapy option more in line with their financial means.

I have been informed and understand the scheduling and fee policies. I, the undersigned, agree to be responsible for all fees and charges incurred in receiving counseling services from Victoria Balenger, Ph.D.
