Defend Play **YOUR WAY**

1

Open Donations

\$1-\$75*

All funds collected from open donations will go toward The Play Lab organizations overhead. Every dollar donated will cover essentials such as healthy food options, materials that require regular replenishment, and mobile items such as wagons, bikes, and scooters.

2

PROGRAMMING

\$75-\$100*

Programming donations will go entirely to providing materials for gardening and our outdoor learning space, contracted events & experiences for the children, as well as family resources and events.

3

GEAR KITS

\$189.81 Per Child

There's no such thing as bad weather, just bad clothes may be a popular quote but it lacks equity as a family with financial constraints may not be able to afford nearly \$200 per child for winter gear. Your donation ensures that every child has safe outdoor gear and guarantees play, no matter the weather.

4

ADVENTURE SUBSCRIPTION

\$190 Per Season/ \$760 Per Year

This subscription provides everything our Scouts and Explorers require for outdoor learning, including an Adventure Pack, indoor & outdoor water bottles + Seasonal Adventure Essentials for nature play every day!

5

SCHOLARSHIP FUND

\$333 Per Week, \$1,332 Per Month, \$15,984 Per Year

No family should have to choose between high quality care every child deserves and childcare they can afford. Donating to the scholarship fund will cover one year's enrollment for a child whose family qualifies.

*There is no cap for open donations and programming. Amounts reflected are suggestions for every donation type.
