

NEW AND RETURNING MEMBER WAIVER OF LIABILITY

It is incumbent on each "Candidate" and/or "Member" of the "EMS White Knights Association" to be responsible for his or her own actions when participating in any event of the EMS White Knights Association rides or events throughout the year. The rides on which you will take part or any other event in which you will participate are strictly events in which you have voluntarily chosen to participate for your own pleasure. To some extent, all motor vehicles are inherently dangerous and you should take part in any ride based solely on the assessment of your abilities and your equipment. The EMS White Knights Association cannot assume any responsibility and/or liability for your participation in any event or at any time. The routes planned for all rides will be on public roads, unless so stipulated, and the individual planned the routes, lead, host the rides, organizer and leadership team cannot be responsible and/or liable for your participation in any event. By participating in any ride and/or event, you are agreeing to abide by all traffic laws and agree not to consume any illegal substances before, during or after the ride or while wearing our uniform. If you have any doubts about your abilities, your equipment, the condition of the road, or about having adequate insurance coverage to compensate you for any loss you may incur, you should voluntarily withdraw immediately from the ride before starting or withdraw during the ride immediately when you incur doubt. All events of the EMS WHITE KNIGHTS ASSOCIATION are offered solely for the purpose of associating with other riders for the purpose of "motorcycling" and providing "casualty care first aid", if required, and in no way does this benefit individual members, monetarily or otherwise. I acknowledge that any sport involving motorcycling alone or in a group has it's inherent risks, as does the performance of my duties as it relates to first aid performed. Candidates and/or Members are not insured by the EMS WHITE KNIGHTS ASSOCIATION (EMSWKs) for loss of income in the event of an injury and/or accident as it relates to medical help and/or treatment. The EMSWKs strongly recommends that Candidates and Members acquire their own income protection insurance, if they feel they need this. As a condition of membership or of riding with the EMS WHITE KNIGHTS ASSOCIATION, the Candidate or Member releases the EMS WHITE KNIGHTS ASSOCIATION, as well as their officers, candidates, members and agents from any and all claims for loss or injury. including claims for negligence, arising from the Candidates' and/or Members' participation in any Riding or First Aid activities. No Candidate and/or Member, by virtue of their membership, is authorized to incur any obligations or create any liability on behalf of the EMS White Knights Association.
